👁 **Preview Survey - "Proton Planning Competency Evaluation"**

*This survey can be completed by the **Clinical Instructors** , regarding the **Students** on a **As needed** basis.*
Before beginning an evaluation, the Clinical Instructors will be asked to select which Students they are evaluating.

Proton Planning Competency Evaluation

1 Please assign each task a score of Satisfactory or Unsatisfactory.

Unsatisfactory in any essential task constitutes competency failure.

The student will repeat the competency at a later date.

▶ Response Required

	Unsatisfactory	Satisfactory	N/A
Successfully imports data into the TPS.	○	○	○
Additional Comments			
Inputs correct prescription parameters into the TPS.	○	○	○
Additional Comments			
Accurately performs image fusion if necessary.	○	○	○
Additional Comments			
Contours appropriate anatomy.	○	○	○
Additional Comments			
Selects appropriate isocenter for treatment design.	○	○	○
Additional Comments			
Strategically selects snout size and	○	○	○

position.

Additional Comments

[ ]

Accurately places compensator.	○	○	○

Additional Comments

[ ]

Selects correct range shifter.	○	○	○

Additional Comments

[ ]

Is able to manipulate target volumes with robustness in the optimizer.	○	○	○

Additional Comments

[ ]

Creates viable plan with appropriate ranges and modulation.	○	○	○

Additional Comments

[ ]

	Unsatisfactory	Satisfactory	N/A
Accurately evaluates plan to assure constraints are met.	○	○	○

Additional Comments

[ ]

Normalizes plan or achieves target coverage as prescribed.	○	○	○

Additional Comments

[ ]

Effectively reviews plan with physician and/or physicist and makes changes as requested.	○	○	○

Additional Comments			

Inserts setup fields, DRR's and appropriate field nomenclature.	○	○	○

Additional Comments			

Successfully prints plan documents.	○	○	○

Additional Comments			

Enters correct treatment parameters into the patient chart.	○	○	○

Additional Comments			

Performs secondary plan checks/calculations.	○	○	○

Additional Comments			

Observes PBS QA.	○	○	○

Additional Comments			

2 Overall rating:

Fail	Pass	N/A
○	○	○

If applicable, please specify reason for failure
