Creating a BONGO Account

Before you begin the admissions interview process, you will need to create a BONGO account and enroll in the appropriate Admissions Environment. You do this by completing the following:

1. Visit [https://uwlax-admissions.youseeu.com/login](https://uwlax-admissions.youseeu.com/login) and click Create new account where you will enter a username, email and password:

2. You will receive an email confirming your registration. Once your registration is confirmed, login to the system and enter the following Course Code into the Enrollment box:

   Enrollment code: argyu9

3. Review the Terms of Service and Privacy Policy and then check the box to “Agree” to all.

Testing the System – be sure to do this BEFORE attempting to take the Exam

You will need to have access to a computer with a 1) microphone, 2) speakers, 3) webcam, and 4) internet connection to complete the questions. Please use FIREFOX, CHROME, or Microsoft Edge as your browser – Safari is NOT a compatible browser with BONGO. Review the Basic System Requirements Tutorial.

Before answering the interview questions, review the How to Complete a Question and Answer Tutorial.

When you are ready to answer the interview questions, go to the admissions environment and follow the instructions. Use the practice Q&A prior to starting the questions to ensure that you are prepared to use the system to complete the exam.

HELP/Support

With sufficient preparation and following the instructions above, you shouldn’t have any issues. It is a very easy to use system. However, IF you do encounter a problem, you can email help@bongolearn.com or click the “Support” button located in your menu (upper left corner of the interface):
Note: The admissions staff or University of Wisconsin – La Crosse Help Desk are not able to provide assistance with BONGO. Any BONGO issues must be resolved with the BONGO Support Staff via the email or the support tab link in BONGO. Always keep your admissions staff informed of any issues that you are addressing with BONGO Support.
