Date: 01/03/19
Location: INDIANA (Within 65 minutes of Indianapolis)
Job Code: IN 061518
Job Title: Physician Assistant – General Orthopaedics
Job Description: Well-established Orthopaedic Group seeks to add another full time Physician Assistant to their team. The newly-hired PA will work directly with a General Orthopaedic Surgeon. This Doctor handles a strong volume of total joints, sports and fracture cases and utilizes the latest technologies/techniques. The position will consist of surgical and clinic. Responsibilities include: first assist, pre and post H&P's, write scripts, coordinate with PT/OT, consultation, rounding and patient evaluation and education, and reviewing lab results in both a clinic and hospital setting. The group is located in a modern facility and they have their own PT/OT onsite.

Successful candidate should be NCCPA-Certified. This Doctor will train an experienced PA from any specialty (minimum of one year of experience). The PA must have excellent interpersonal skills and have a great work ethic. This is a great Midwest city location that is within 65 minutes of Indianapolis and 15 minutes from Jacksonburg. The area offers reasonable cost of living, several universities, several museums, lots of shopping and restaurants, and an airport. Salary depends on experience and there is a bonus potential. Additionally, there is an excellent benefits package provided. Please send your resume to the attention of Fred Perlman at: fredperelman@yahoo.com or fredperelman@rossrichter.org.

Salary: Depends on experience, plus bonus potential

**Date** 01/03/19  
**Location** NEW YORK (Manhattan)  
**Job Code** NY 1219181  
**Job Title** Orthopaedic PA (WILL TRAIN!)  
**Job Description** Health Care System seeks to add another full-time Physician Assistant. This position includes both the OR and the clinic and is focused on treating hip and knee injuries. The Orthopaedic PA will work directly within the hip and knee service supporting a very busy Orthopaedic Surgeon with a Total Joints Fellowship. This Doctor utilizes the most minimal invasive surgical techniques and handles complex and revision total joint cases. The position is Monday thru Friday with no call or weekends.

The Orthopaedic PA’s day to day responsibilities include: patient evaluations, injections, run a parallel clinic to the doctor, removing casts and pins, reductions, consultation, rounds and patient evaluation and education, writing prescriptions and reviewing lab results in a clinic setting. Candidates must be organized, self starter, able to work independently and in a team-oriented environment. The newly-hired PA will coordinate with PT/OT. This doctor will train a PA that has recently graduated and has a strong interest in orthopaedics and who has done an orthopaedic rotation. Preferred candidates are from the NYC region.

Compensation: Base salary open. Additionally, there is an excellent benefits package provided. Please send your resume to the attention of Fred Perlman at: fredperlman@yahoo.com or fredperlman@rossrichter.org.
