

Vacancy Notice

CESA 11 is accepting applications for a part time or full time Occupational Therapist position to work in several school districts within the CESA 11 districts. Must be able to serve students from preschool through age 21 who demonstrate a variety of skill levels, motor, and sensory needs. Must be highly organized, able to manage multiple schedules, and travel to multiple districts. Must be highly collaborative, have good communication skills, and love working with children. The Occupational Therapist is responsible for providing evaluations of students to determine their functional levels and to identify special needs. This person helps plan, manage, and support the students' IEP goals, and provide therapeutic activities for students that will enhance their ability to benefit from their educational experiences and future vocations. An interest in Autism, sensory needs and/or assistive technology is highly desirable. The full time position would require the Occupational Therapist to support districts in CESA 12 as well

Applicants must have valid OT certification (or be eligible for certification) through National Board for Certification in Occupational Therapy (NBCOT), through the WI Department of Regulation and Licensing, as well WI DPI OT License #812 for school occupational therapists. Valid Driver's License is required.

Applications: Qualified candidates should apply thru WECAN – Vacancy ID #23481

Application Deadline: Until Filled

Start Date: TBD
