

OT for Tucson, AZ

80 bed inpatient rehabilitation hospital that offers comprehensive inpatient rehabilitation services designed to return patients to leading active and independent lives. Our hospital provides a wide range of rehabilitation services such as stroke, spinal cord injuries, brain injury, multiple trauma, neuro disorders, amputations, joint replacements, fractures and other orthopedic injuries/conditions. We have a vast network of highly skilled, independent private practice physicians, therapists, and nurses, and the most innovative equipment and rehabilitation technology, ensuring that all patients have access to the highest quality care. Designed with our patient's care in mind, we offer semi-private rooms with televisions, telephones, and wireless internet capabilities. We offer a specialized inpatient programs for stroke and brain injury that are accredited by The Joint Commission.

We provide an excellent benefit package.

We offer the opportunity for continuing education facilitated and supported by the hospital.

Tucson, Arizona, affords year-round opportunity for an active, outdoor lifestyle. Tucson is an ever-growing community in the Southeast part of Arizona. Tucson offers a beautiful desert environment, with easy access to ski areas in Arizona as well as multiple surrounding states. We are also within driving distance of the beaches of both southern California and Mexico. Tucson provides a low-key lifestyle; the pace is naturally relaxed, the weather is mild and casual dress is the rule. Our staff at the facility comes from all over the country and enjoys all that Tucson has to offer, including staff soccer teams, golf tournaments, journal clubs, volleyball, bicycling and a variety of other fun activities.

Starting Salary for a new grad is \$70,000.

Relocation assistance is \$2500.
