

## **Full-time school- based occupational therapist**

### **Mosinee School District**

Mosinee is located between Wausau and Stevens Point, Wisconsin, off Interstate 39, near the Central Wisconsin Airport. The Wisconsin River runs through our town so there are many opportunities for outdoor activities. Our school district has roughly 2,200 students with 3 schools, Pre-K to 12. We have a large sped department for our school size with many supports. The caseload size for our full-time occupational therapist would be 30 students grades Pre-K to 12th.

Mary A. Zimmerman

Mosinee School District

Director of Special Education/ School Psychologist- EC/4K
