- Under a physician's orders, screens and evaluates resident/ patient and develops appropriate care plan.
- Instructs residents, families and caregivers in the use of adaptive equipment such as wheelchairs, splints, and aids for eating and dressing.
- Maintains patient records in an accurate and timely manner.
- Devises special tools and treatments for the specific needs of patients.
- Completes required forms and documents in accordance with company policy and state and/or federal regulations.
- Performs other duties as assigned.

Qualifications

- Bachelor of Science or Master of Science degree in Occupational Therapy.
- Current license in Occupational Therapy (if required by state law).
- One (1) year of clinical experience preferred.
- State approved certification to provide advanced level treatments where applicable.

We focus on people. Our residents. Their lives. Their health. Their families. We are one of the largest providers of short-term and long-term health care services in the United States. Through our affiliated entities, services are provided through skilled nursing facilities in 21 states. The commitment is to provide compassionate, family oriented short-term and long-term care. Our affiliated entities focus on individualized care that respects the dignity and rights of the residents. The aim is to care for every resident the way we would care for our family members. We strive to provide residents with services designed to achieve quality care and quality of life. To reach these outcomes we subscribe to quality treatment with a combination of “caring and curing”. Select facilities provide Intravenous Therapy Services, Respiratory Therapy Services, Dementia Services and all facilities provide Rehabilitation Services.

We are an Equal Opportunity Employer and do not discriminate against any employee or applicant for employment because of race, color, sex, age, national origin, religion, sexual orientation, gender identity, status as a veteran, and basis of disability or any other federal, state or local protected class.

Job Type: Full-time
