

Would you like to move to the Denver area, but couldn't find the right OT opportunity?

Our client is located in a nice small community on Colorado's eastern plains. It's very commutable from Denver's northern suburbs as well as Ft Collins' eastern suburbs.

They are searching for an occupational therapist to join their hospital Rehab team. 75% outpatient / 25% inpatient. Caseload primarily hand therapy.

Flexible scheduling. Can work 10-hour shifts if you want.

You'd be working with a talented interdisciplinary group of therapists who really enjoy working together. Great work environment. Strong director. Very low turnover.

Competitive compensation package includes:

- Salary range - \$75K - 90K
- Comprehensive benefits.
- \$500/month in student loan repayment for first 48 months.
- Relocation

Let us negotiate the best possible deal on your behalf.

We are looking for full-time permanent placement hires. No travelers please.

Located just an hour northeast of Denver and 90 minutes from the Rocky Mountains, this friendly little town offers convenient access to some of America's best ski resorts as well as the scenic and recreational splendor of Colorado's eastern plains.
