OCCUPATIONAL THERAPIST (Inpatient Neuro) – Subacute and Skilled Nursing

30% Subacute & 70% Skilled Nursing

Non-Profit; all about quality of patient care

Nearby Sacramento, CA - very outdoors location

~Full-Time, Permanent, Direct-Hire position~

OVERVIEW:

The amount of therapy provided is driven by the patient's ability to benefit from treatment. The goal is to provide the patients comfort and a more quality life --The time spent with each patient is based on the patient needs and not on what will maximize reimbursement!

SNF transitional patients: Ortho, Neuro, General Med

Subacute patients: a lot of neuro, closed head injury, stroke, and ventilated patients

The Subacute has been a very rewarding unit:

In this organization, there are quite a few of the ventilated patients being sent home in 3-4 months; they are advancing to become functional to live at home with their families. These patients have begun talking, walking, and going home...

Set Schedule: M-F; 8-4:30 – there is plenty of back-up staff for vacations, days off, etc...

Reports to: Manager of Rehab with OT background/here 8 years as Manager

Setting: Stand-alone hospital that is truly state-of-the-art; has finest in equipment & therapy gym

This Hospital provides more than just a place to work. It's an institution you would feel proud of devoting your time and talents. They invest in their employees and are pleased to have one of the most competitive compensation packages among healthcare institutions.

COMPENSATION: Salary range to ~\$53/hour – Nonexempt therefore paid for overtime – Plus \$5,000 Sign-On Bonus – Plus Relocation Package – Plus annual \$/therapist for continuing education – Full Benefits Package, 401K – annual tuition loan reimbursement for previous loans

Pacific States LOCATION: Family-oriented community. Homes and rentals are affordable, surrounding scenery is breathtaking, downtown is thriving and options for arts and dining have blossomed in recent years. Rugged mountain vistas are backdrop of this beautiful city with its small-town feel. An active lifestyle and abundance of recreational opportunities helps maintain good health and physical fitness of residents. Outdoor enthusiasts have activities such as water skiing, snow skiing, fishing, backpacking, boating, kayaking, white water rafting, mountain biking, hiking, camping. Live theaters, concert theaters, movie theaters, cultural centers, & art galleries.
