Credentialed Clinical Instructor Program - Level 1**

**Thursday, April 30, 2020
&
Friday, May 1, 2020**

**University of Wisconsin–La Crosse
Health Science Center
1300 Badger Street
La Crosse, WI 54601**

Instructors: Amy Taebel, PT, DPT, PCS, DCE & Alecia Thiele, PT, DPT, MEd, ATC, LAT, DCE

Co-sponsored by:
University of Wisconsin-La Crosse Physical Therapy Program & American Physical Therapy Association

The Credentialed Clinical Instructor Program (CCIP) is intended for health care providers who work primarily in a clinical setting and are interested in developing their teaching abilities. Participants will explore different aspects of the clinical learning environment and will learn skills and techniques necessary to provide a structured and effective learning environment for students. The goal is not to improve individual clinical skills, but to develop and refine each participant's ability to teach, instruct, and guide the development of his or her students.

The program addresses issues of:

- planning and preparing for physical therapy students during their clinical education experiences
- developing learning experiences
- supporting ongoing learning through questioning and effective feedback
- developing skills of performance evaluation
- identifying and managing students with exceptional situations
- identifying legal implications for clinical educators, including issues presented by ADA legislation

The program is divided into two parts:

- Part I - Clinical Instructor didactic curriculum via an interactive course format
- Part II - Credentialing process to assess participant's achievement of curricular outcomes through a 6-station Assessment Center

Successful completion of the program earns physical therapists and physical therapist assistants with 1.6 CEUs and the APTA Clinical Instructor (CI) Credential.

Credentialing Instructors:

Amy Taebel, PT, DPT, PCS, DCE

Dr. Amy Taebel is an Assistant Professor and the Director of Clinical Education (DCE) in the Doctorate of Physical Therapy Program at the University of Wisconsin-La Crosse. She has been in this position since 2016. Prior to working at the University of Wisconsin-La Crosse, Dr. Taebel worked for 23 years within several educational settings as a pediatric therapist, served 2 years as the director of a pediatric physical therapy private practice, and has practiced home health on a per diem status for 17 years. She received her BSPT degree in Physical Therapy in 1995 from the University of Wisconsin-La-Crosse and her Clinical Doctorate in 2012 from the College of St. Scholastica. She is also a Board Certified Clinical Specialist in Pediatric Physical Therapy since 2008.

Dr. Taebel obtained her APTA Certification as a trainer for the APTA Credentialed Clinical Instructor Program (CCIP) in 2019. She herself was also a clinical instructor for 20 years of her career. She has a passion for educating clinical instructors so that they can have more tools available to them when teaching our students who will soon become our future colleagues.

Dr. Taebel is a member of the American Physical Therapy Association and the Wisconsin Physical Therapy Association. She also belongs to the Academy of Pediatric Section and The Education Section. She is currently serving as a Delegate for the State of Wisconsin. She also will be taking on the responsibility of State Representative for Pediatrics.

Alecia Thiele, PT, DPT, MEd, ATC, LAT, DCE

Dr. Alecia Thiele is an Associate Professor and the Director of Clinical Education (DCE) in the Physical Therapy Department at Clarke University in Dubuque, IA. She has been in this position since 1999, and also served as Assistant Academic Coordinator of Clinical Education (Asst. ACCE) at the University in 1997. She received her BSPT degree in Physical Therapy in 1991 from the University of Wisconsin-La-Crosse, her MS in Education in 2001 from the University of Wisconsin-Platteville, and her Clinical Doctorate in 2006 from Clarke University. She is also a certified athletic trainer and generational trainer.

Dr. Thiele has published and presented on professional behaviors, generational influences, clinical education, integrated clinical education, interdisciplinary medicine, technology, and her experiences with Post Intensive Care Syndrome. Her most recent publications were in the Journal of Physical Therapy in 2018 and in the Journal of Physical Therapy Education 2014 Winter and Fall issues. She obtained her APTA Certification as a trainer for the APTA Credentialed Clinical Instructor Program (CCIP) in 2000 and the Advanced CCIP in 2007, training hundreds of clinical instructors at the basic and advanced levels. She is most recent past Treasurer for the Academy of Physical Therapy Education and has also served as the Secretary, National Clinical Education ACCE Co-Chair, Clinical Education Special Interest Group (CESIG) Secretary, and CESIG Programming Chair for the Academy. She is a member of the Iowa Clinical Education Consortium, and has also served as the Center Coordinator for clinical education in her sports medicine practice area for the past 25 years. Her specialty area of clinical practice is sports medicine and athletic training. Alecia has been practicing physical therapy for the past 29 years and athletic training for the past 25 years.

AGREEMENT OF PARTICIPATION

APTA CREDENTIALLED CLINICAL INSTRUCTOR PROGRAM

The Credentialed Clinical Instructor Program is being offered by the _____ . Successful completion of the program and its Assessment Center for physical therapists and physical therapist assistants will result in the awarding of Clinical Instructor Credentialing and 1.6 CEU/16 contact hours* (please note difference if from OH or NV) from the American Physical Therapy Association.

**Please note: Licensees should verify with their [state licensing board](#) for acceptance of continuing education units by reviewing the relevant state practice act and/or administrative code.*

To be eligible for credentialing, the participant must:

1. **Submit a completed Participant Dossier, signed Agreement of Participation, copy of a current license/registration/certification to practice, and appropriate Registration fee prior to beginning the program.**
2. Attend each session of the program in its entirety and participate in all program activities.
3. Successfully complete each portion of the Assessment Center if a physical therapist or physical therapist assistant.

NOTE:

If any part of the program is missed, the participant must repeat the entire program to be eligible for CI Credentialing.

Only participants who have completed all program sessions will be permitted to sit for the Assessment Center when completing this program (physical therapists and physical therapist assistants only).

A participant who does not satisfactorily complete the Assessment Center or fails to attend the entire didactic curriculum as part of the program will be notified by the Credentialed Clinical Trainer that he/she has not met the competencies required and is not being recommended for APTA Clinical Instructor credentialing.

Should a participant need to request a refund, he or she must do so within 72 hours prior to the date of the beginning of the course. The refund amount will be equivalent to the APTA portion of the registration fee only.

I have read and understand the above policies and agree to abide by the conditions as stated.

Statement of Confidentiality

APTA Clinical Instructor Credentialing

The Assessment Center was designed in order to provide a standard by which to measure the training of clinical instructors in physical therapist and physical therapist assistant clinical education.

The information and materials used in the Assessment Center were developed expressly for that purpose and will be used for future Assessment Centers.

By signing this form, you are agreeing to keep the contents, examples, scenarios, scoring, and all other materials used in the Assessment Center confidential, so that other clinical instructors may have the same opportunity, without undue advantage, to apply their knowledge and skills.

All participants must sign a Statement of Confidentiality before beginning the Assessment Center.
