Date 07/01/19
Location LOUISIANA (90 plus minutes to Baton Rouge)
Job Code LA 070219
Job Title Physician Assistant or Nurse Practitioner – Neurosurgery (WILL TRAIN!)
Job Description Neurosurgeon seeks a full-time Physician Assistant or Nurse Practitioner. This doctor’s practice is focused on spine with some cranial cases. The new PA/NP will work at a Neurosurgical Center of Excellence. The group is involved with the most advanced minimally invasive surgical procedures.

The doctor feels comfortable training a new PA/NP that has excellent communications skills and has a strong desire for neurosurgery. The position includes both surgical and the office. The new PA/NP will also provide patient evaluation and education, first assist, writing scripts, coordinate with PT, rounds and reviewing lab results in a clinic setting. The facility is located in a modern medical complex.

Successful candidate should be Board-Certified. New graduates or soon-to-be graduates are welcomed to apply. NPs must be an RNFA. The location is within 90 plus minutes of the Baton Rouge area; this city has several universities (LSU, A&M and Southern University), metro airport, culture and a very reasonable cost of living. The location has easy access to the Gulf of Mexico and provides great all year round outdoor living, especially for a water lover.

Compensation: Salary is open (entry level), plus a bonus. Additionally, there is an excellent full benefits package provided. Please send your resume to the attention of Fred Perlman at: fredperlman@yahoo.com or fredperlman@rossrichter.org

Date 07/01/19
Location NORTH CAROLINA (Raleigh/Durham)
Job Code NC-040515
Job Title PA/NP – Orthopaedic (Sports)
Job Description Total Muscular Skeletal Center seeks to add an experienced fulltime Orthopaedic Physician Assistant or Nurse Practitioner. The new PA/NP will work directly with an Orthopaedic Surgeon that is Sports Fellowship trained. This group has their own ASC/MRI and PT. The PA/NP will handle sports cases and general orthopaedic cases. The PA/NP will have the potential (if desired) to cover sporting events, run a clinic and local high schools. The position includes four days in the clinic and one day in the OR.

Responsibilities include: patient evaluations, first assists, injections, fracture reductions, provide post and pre-operative care, some rounds, casting and splinting, ordering tests, patient education and writing prescriptions. PA/NP will run their own office based clinic. Successful candidate must be Board-Certified and have direct orthopaedic experience.

The practice is located in the suburbs of the Raleigh/Durham area. The location is in a great metro area that provides several major universities, culture, international airport, moderate climate, reasonable cost of living and offers great quality of life. The location also offers easy access to lakes, a lot of great golf courses and nearby hunting and fishing.

Compensation: Base salary range: depends on experience, plus production bonus. There is an excellent benefits package (includes one week CME, medical and dental, four weeks vacation, 401k and relocation allowance)! Please send your resume to the attention of Fred Perlman at: fredperlman@yahoo.com or fredperlman@rossrichter.org.
