SA1516-022: Resolution Requesting REC Use for LEHP Program

DATE: November 8th, 2015

AUTHOR(S): Spenser Garcia

SPONSOR(S): Student Services & Buildings

WHEREAS; the University of Wisconsin-La Crosse's La Crosse Exercise and Health Program (LEHP) is a medically supervised preventative and rehabilitation health and fitness program for approximately 50 residents of La Crosse provides 15 UW-L graduate students in the Clinical Exercise Physiology (CEP) with relevant clinical experience since 1980;

WHEREAS; the program allows students up to 600 clinical hours, and is one of the highest acclaimed programs of its kind in the country currently uses many different facilities, including Mitchell Hall, Wittich Hall, and the Recreational Eagle Center, throughout the year;

WHEREAS; the program is currently forced to move up to eight times per year, due to usage of Mitchell Hall for athletics and Mitchell Hall's lack of air conditioning over the summer, which leads wear and tear on equipment, strain on students and staff, and confusion for the participants in the LEHP;

WHEREAS; the program will not be able to use Wittich Hall's indoor track in future years as the College of Business begins their renovation of the building;

WHEREAS; this program will generate approximately \$8,000 in revenue for the REC annually with no additional costs to students;

THEREFORE BE IT RESOLVED; the La Crosse Exercise and Health Program will approved to use the Recreational Eagle Center (the front desk sitting area, 1 court, the multipurpose room, and 1-2 lanes of the track) year round on a probationary basis starting in January 2016 through August 2017 for three days per week for 2-3 hours during a low census student usage time slot, approximately 9-11am;

THEREFORE BE IT FURTHER RESOLVED; the Student Services and Buildings committee will meet again in April 2017 to determine whether to further approve usage of the REC for the LEHP during the 2016-2017 school year and possible future years, until the new Fieldhouse is completed.
