SA1516-056: Resolution Supporting A UWL Safety Communication Package

DATE: April 17th 2016

AUTHOR(S): Patrick Brever

SPONSOR(S): Lauren Mason, Thomas Schultz, Allison Gustafson, Jacob Sparks, Jacob Schimmel, Rebecca Steck, Donald Patnode, William McLoughlin

WHEREAS; Discussions with UWL administration, including with Vice Chancellor Hetzel and Chief of Police McCullough, have led to a desire to acquire a communication software package dedicated to student safety;

WHEREAS; This software package would give students immediate notifications from with the University Police in emergency situations.

WHEREAS; This software package has the ability to connect students to safety in a new and effective way;

Whereas, the UWL Student Association does not believe that a phone application is a necessary part of this software package;

THEREFORE BE IT RESOLVED; The Student Association of the University of Wisconsin- La Crosse supports further research of a UWL safety communication software package.
