**SA1617-019: Resolution for Change in Green Fund Bylaws**

DATE: November 28, 2016

AUTHOR(S): Segregated University Fee Allocation Committee (SUFAC)

SPONSOR(S): Jeremy Ames, Isaac Carlton-Tahiri

WHEREAS; due to the projected enrollment decline for FY18, increased student segregated fee remissions, and restrictions on the level of increase for student segregated fees, SUFAC is charged with keeping the per-student segregated fee rate constant for FY18, and;

WHEREAS; there is a demonstrated priority to leave student organization funding unaffected by this decline, and;

WHEREAS; the UWL Green Fund bylaws in Article II, Section 1, currently require revenue of \$60,000 to be collected per semester, and;

WHEREAS; the UWL Green Fund bylaws in Article II, Section 5, currently place a non-allocated cash balance cap of double the amount collected per year (currently \$240,000), and;

WHEREAS; the UWL Green Fund expenditures have consistently been less than Green Fund revenue plus Green Fund Cash Balances, and;

WHEREAS; SUFAC recommends the accompanying Green Fund bylaw amendments,

THEREFORE BE IT RESOLVED that the proposed changes outlined below to Article II, Section 1 and Article II, Section 5 be adopted as amendments to the Green Fund Bylaws.
