AUTHOR(S): Natalie Burgess, Ben O’Connell, Dani Kallis

SPONSOR(S): Trent Rubert, Madison Wescott

WHEREAS; UW-L Student senators are currently working on a resolution to implement a fall break on the UW-La Crosse Campus as well as looking at starting classes before September 1st for the academic year;

WHEREAS; As student senators, we would like to adequately represent the UWL student body when creating a resolution that addresses potential changes to the academic year;

WHEREAS; The current resolution draft on implementing a fall break only has data from April 2016 within a survey conducted by UW-L’s Residence Hall Association Council (RHAC) Specific Issues Subcommittee;

WHEREAS; Student senators have recognized that the idea of implementing a fall break on campus along with starting classes earlier affects all students attending UW-L;

WHEREAS; Student senators believe that having this survey data will be much more valuable to the resolution to implement a fall break and start classes earlier, as recommending for classes to start before September 1 involves a review of the current WI legislation;

WHEREAS; This survey sent out by UW-L Student Association would consist of the following questions:

- Would you be in favor of having a fall break implemented in October within the first semester of the academic year?
- To accommodate for the time used for this potential break, would you be willing to start classes before the month of September for the fall semester?

THEREFORE BE IT RESOLVED; That the UW-L Student Association sends out a Qualtrics Survey to the UW-L student body addressing questions of having a fall break on campus as well as an earlier start time for classes within the fall semester of the academic year.
