DATE: April 5, 2019

AUTHOR(S): Bennett Thering, Dana Nielsen

SPONSOR(S): Cortlyn Kelly, K.C. Cayo, Cameron Neader, Jenna McCauley, Avery McLain, Brandon Micech, Gunnar Horstman, Cate Wiza, Faith Fisher

WHEREAS the Graduate Curriculum Committee and the Undergraduate Curriculum Committee have recently voted on changes to the University Catalog Course Management Policy; and

WHEREAS these changes would permit the Records and Registration Office to begin the Curriculum Inventory Management deactivation process of courses that have not been taught in five or more years (due to lack of resources, student enrollment, etc.); and

WHEREAS deactivated courses will be removed from WINGS and longer visible to students; and

WHEREAS this policy is intended to enhance the truth in advertising regarding when courses are offered and to clean up the course catalog; and

WHEREAS although truth in advertising is valuable, especially in avoiding students' disappointment when they are led to believe a course will be offered, there are also benefits to allowing students to see all past and possible courses; and

WHEREAS if students can view deactivated courses, they are able to get a sense of subjects that interest them and advocate that deactivated courses be taught again; and

WHEREAS the display of deactivated courses, leading to students expressing their desire to take specific courses, would help the University of Wisconsin-La Crosse cater to students' educational wishes; and

THEREFORE, BE IT RESOLVED; Student Association recommends that the University of Wisconsin-La Crosse post a list on their webpage of all courses that become deactivated,
