WHEREAS the University of Wisconsin - La Crosse does not have a mandated Diversity and Inclusion statement in student organization bylaws; and

WHEREAS the University of Wisconsin - La Crosse has a responsibility to represent all students; and

WHEREAS a Diversity and Inclusion statement in student organization’s bylaws would set a precedent for inclusive action and diversity on said body; and

WHEREAS this statement should embody the actions and values of student organizations; and

WHEREAS the Student Organizations Committee felt that without detailing the proper sanctions for organizations that may not uphold these values, the statement itself would hold no weight; and

WHEREAS the Student Organizations Committee created a bylaw draft listing consequences and sanctions;

THEREFORE BE IT RESOLVED that the UWL Student Association approves the inclusion of the following statement in all student organization bylaws:

The University of Wisconsin - La Crosse [Organization Name] recognizes and values the diverse identities, backgrounds, and beliefs of our faculty and of the University of Wisconsin - La Crosse student body. Our definition of diversity includes, but is not limited to ability, age, class, documentation status, gender identity, language, military status, nationality, race, religion, and sexual orientation. We are committed to providing and promoting an environment free of prejudice by addressing issues of equity and justice in our community, and we support the success of marginalized identities.
