WHEREAS the Segregated University Fee Allocation Committee (SUFAC) approved this grant for \$41,533.00 from the Green Fund to replace the steam traps in Coate Hall; and

WHEREAS replacing the existing steam traps will save energy by reducing the amount of steam necessary to heat the building; and

WHEREAS this will also improve the quality of life in the building for the residents because it will reduce the banging and popping noises that occur during the heating season; and

WHEREAS the Joint Committee on Environmental Sustainability (JCES) and SUFAC both passed this grant after considering that the Green Fund has a high balance and is close to meeting its cap;

THEREFORE BE IT RESOLVED the University of Wisconsin La Crosse Student Senate approves this grant to replace the steam traps in Coate Hall for the full amount of \$41,533.00.
