D. Organization Grants (Requesting \$11,822.08)

1. These funds were unused in FY21 as many organizations didn't have opportunities to request grants that they normally have. Approved by SUFAC
2. If approved, the funds would assist in helping more organizations as they are able to do more with current COVID guidelines. It is unclear how the

funds would be allocated at this moment, but Org. Grants would open applications for grants outside of our normal timeline to allow organizations to make requests. As many organizations are trying to restart after having to pause operations last year, this could provide opportunities for the committee to assist organizations in building their communities back up. Additionally, Org grants would look at having a shorter grant process for organizational emergency funding opportunities such as support in movie licensing costs for organizations that otherwise wouldn't be able to show a movie due to lack of funding.
