If you would like to give an oral presentation in any other category, the deadline is Thursday, July 1. You can still be considered for the CEU program but you must apply to the CEU program specifically via the CEU application.

Review and agree to the questions posed. You will submit your abstract on the page that looks like this:

For Posters

Submission ID 12214

Select your Attendance Preference:
☑ I would attend an in-person meeting
☐ I would attend a virtual meeting
☐ I would attend either in-person or virtual meeting

PLEASE NOTE: By selecting Poster, your abstract will automatically be assigned to Sorting Category 16, Conference Experience for Undergraduates (CEU). Posters cannot be submitted to any other sorting categories.

Select your Presentation Type:
○ Oral Session
◉ Poster Abstract
○ Invited Abstract

Abstract Title:

- Use the Rich Text Editor to insert Symbols in the Title and Abstract Body fields.
- Please do NOT use bold or all CAPS in the abstract title or abstract body, however, acronyms are allowed in all-CAPS.

You will have the opportunity to note the category type of your work.

If you marked a Poster Presentation, you will only have one category further down the age to choose from – 16. Undergraduate Research.

If you clicked on "Oral Session" you will see the following Sorting Category options:

	Select your Sorting Category:

○ 01. Nuclear Astrophysics
○ 02. Electroweak Interactions
○ 03. Neutrino Physics
○ 04. Fundamental Symmetries
○ 05. Neutron Physics
○ 06. Electromagnetic Interactions
○ 07. Ultrarelativistic Heavy-Ions
○ 08. Nuclear Reactions: Heavy-Ions/Rare isotope Beams
○ 09. Nuclear Reactions: Hadrons/Light Ions
○ 10. Nuclear Structure
○ 11. Hadronic Physics
○ 12. Nuclear Theory
○ 13. Nuclear Isotopes
○ 14. Instrumentation
○ 15. Applications of Nuclear Physics
○ 17. Undergraduate Research (CEU, Oral Only)
○ 18. Other
○ 19a. Mini-Symposium: Advances and Opportunities in Polarized Targets and Beams
○ 19b. Mini-Symposium: Advances in EIC eA Science Using RHIC and the LHC
○ 19c. Mini-Symposium: Astromers: Nuclear Isomers in Astrophysics
○ 19d. Mini-Symposium: BSM Searches in Fundamental Symmetries
○ 19e. Mini-Symposium: Hadron Production and Interactions in Jets and Media
○ 19f. Mini-Symposium: Neutrinos and Nuclei
○ 19g. Mini-Symposium: Quantum Information Science and Nuclear Theory
