

Hello

As you plan your return to campus for the spring semester, please review the following information about Covid-19 testing and the spring check-in process:

### **Desk Hours for Check-in**

Residence Halls will reopen for the spring semester on Monday, January 17. Front desks will be open noon-10pm daily. In order to have your residence hall card access reactivated you must check-in at your residence hall front desk during desk hours.

### **COVID-19 Testing Requirement**

**As a continued effort to minimize the spread of COVID-19, ALL residential students (regardless of vaccination status) are REQUIRED to test within 72 hours prior to arriving back to campus for the spring semester.**

- Negative test results should be sent to [reslife@uwlax.edu](mailto:reslife@uwlax.edu) prior to arriving to campus. Results can be sent as a picture and must include your full name, birthday, and result.
- At-home test results are acceptable. A past covid-19 positive test result is acceptable (within 90 days) if you have completed the required isolation period and are symptom-free.
- If results your test result is positive, you should NOT return to campus and should report their results to the COVID-19 hotline (608-785-8559).
- If you are unable to test prior to return, on-campus testing will be available (Monday-Friday 8am-4pm).

Contact the Office of Residence Life if you have any questions. Have a great day.
