Greetings UW-La Crosse students, staff and faculty,

UW-La Crosse spring graduates will soon be receiving communication about Commencement this spring. While those communications will go into greater detail, we wanted to share some general information with campus first. UWL is planning for our Spring 2021 Commencement ceremonies to be a mix of in-person and virtual events May 15 and 16.

In-person events:

All graduating undergraduate students will be invited to walk the stage at the La Crosse Center to receive their diploma. The in-person Commencement ceremony will be broken into multiple events (times have not been finalized). For health and safety reasons, no spectators will be allowed at the events, however these ceremonies will be livestreamed and recorded for family and friends.

Graduate students will have options for a ceremony associated with their individual programs or the Graduate Studies Office.

Virtual events:

As mentioned, many of the in-person events will be available online via livestreaming. We will also continue our newer tradition, the “couch commencement” – an online celebration with commencement videos, congratulatory messages from university departments, and the online yearbook messages and photos.

Additional information will be shared on the Commencement webpage in the coming weeks.

Thanks so much,
