

Greetings UWL students,  
(bcc: all personnel)

If you've been hesitant to get vaccinated before finals, next week is your chance! We are partnering with the La Crosse County Health Department on hosting a walk-up Vaccination Drive with the Johnson & Johnson (single-dose) vaccine here on campus next week. This is the shot that many refer to as "one and done".

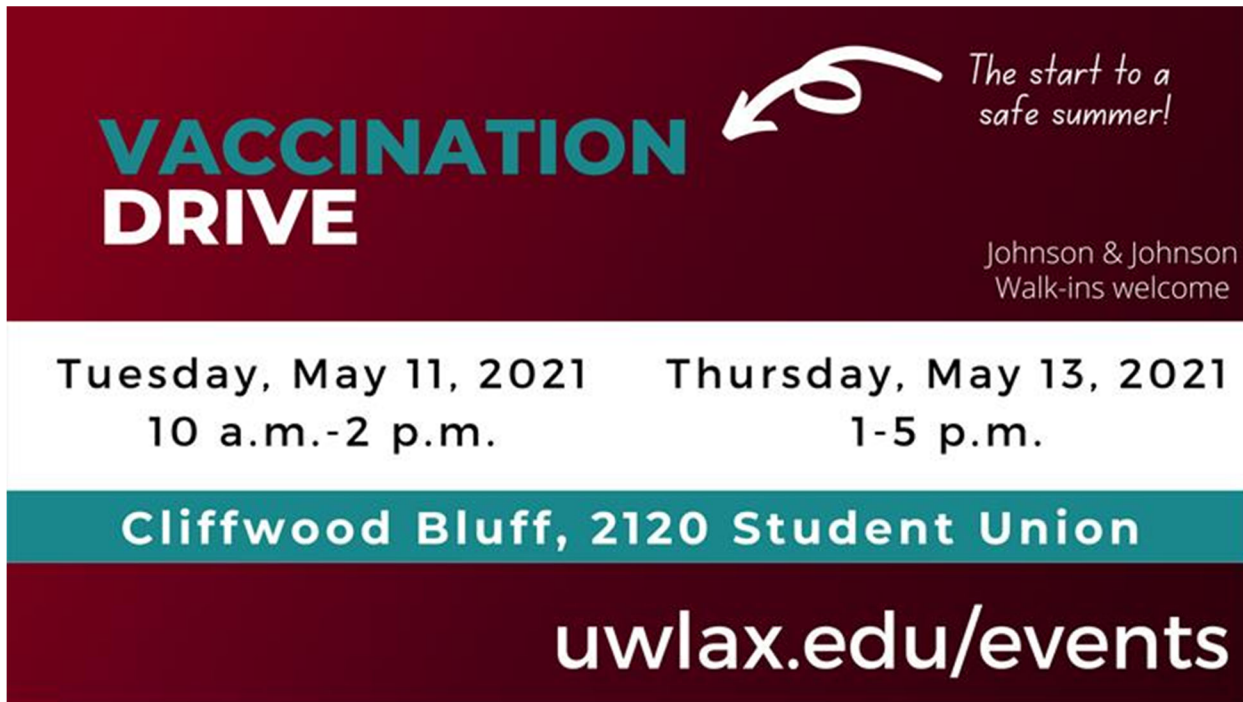

## Start your safer summer!

**What:** Vaccination Drive,  
Johnson & Johnson (single-dose)

**When:** Tuesday, May 11, 10 a.m.-2 p.m.  
Thursday, May 13, 1-5 p.m.  
NO APPOINTMENT NEEDED, bring a friend or family member

**Where:** Cliffwood Bluff, 2120 Student Union (that's the middle section of the Bluffs ballroom)

Questions about vaccination safety, effectiveness or possible reactions? Check out our recent Instagram take-over with Peter Wilker: <https://www.instagram.com/tv/COAxnvfhJz1/>

**VACCINATION DRIVE**

*The start to a safe summer!*

Johnson & Johnson  
Walk-ins welcome

Tuesday, May 11, 2021      Thursday, May 13, 2021  
10 a.m.-2 p.m.                      1-5 p.m.

Cliffwood Bluff, 2120 Student Union

Also, please be sure to get tested before you leave La Crosse for the summer or start new summer employment. If you are not doing regular testing and haven't been vaccinated, remember the safest strategy is to quarantine for 10-14 days to keep your family and home community safest.

We hope your last week of classes and preparation for finals are going well. Thank you to each of you who are doing your part to start a safer summer.

Thanks so much,

**Maren Walz**, Executive Director  
Integrated Marketing and Communication
