Dear Students,  
(cc: UWL Personnel)

Here is a follow-up regarding instruction for the next two days and then the next two weeks.

### UNDERGRADUATES

- Fully in-person (face-to-face) classes. Will not be meeting today (Monday) or tomorrow (Tuesday). This allows the instructor time to convert materials to a remote/virtual format for the remaining time of the next two weeks.
- Hybrid classes. Hybrid classes that were scheduled to meet in-person today or tomorrow will NOT be meeting on campus. However, it is up the instructor what the alternate arrangement might be. Some may have a virtual meeting at the class time, some may provide alternative content options online. All hybrid courses will be virtual for the next two weeks.
- Online classes (OA or OS) – will continue as planned as fully virtual.
- Slash classes (undergraduate/graduate) – please attend to the instructors' messaging regarding these courses.
- CANVAS – the vast majority of instructors use Canvas – please make it your first stop for gaining information about your courses.
- Internet conductivity in the Res Halls – ITS is aware of the issues and is working diligently on solutions.

### GRADUATE

- Graduate classes will continue in the manner listed in the schedule and/or identified by the instructor.
- Slash classes (undergraduate/graduate) – please attend to the instructors' messaging regarding these courses.
- Building access. HSC will be unlocked and following whatever guidelines are currently in place. Many of you already have keycard access to Mitchell, Cowley and/or Prairie Springs. If your keycard is not working please let your program director know and they will be submitting lists to allow access. It may take a few days.

We know this is really challenging for you as students and the instructors and staff are working hard to try to make this transition as smooth as possible.

Betsy Morgan
