Subject: Return to Campus Information

Dear Campus Residents,

Thank you for your continued patience as we share our return to campus plan. In the coming days, we will communicate the plan in stages. Today, we need to have an accurate understanding of who is currently ON campus and who opted to shelter at another location. Your immediate assistance is essential.

ALL resident students (sheltering on campus or at another location):

- **Regardless of where you are currently sheltering in place, we need you to [complete this survey](#).**

Students who are sheltering ON campus:

- We are **requiring** updated antigen-testing. [Sign up for a time slot](#).
- Times start on Monday, September 21 at 8 a.m. in Cartwright Center ([#13 on the campus map](#)). Even if you have already been tested previously, we will be using this as a baseline for our return to campus plan.
- We will test approximately 300 residents per day.
- Students who provide documentation of a positive test within the last 90 days may be exempted from retesting. (Documentation can be sent as an attachment to mmaloney-wang@uwlax.edu or faxed to 608.785.8746.)

Students who are sheltering at another location:

- At this time, we ask that if you are currently sheltering in place at your home (or another location), you remain there until you receive additional communication.
- We will share your return plan early next week.

All residential students **must comply** with testing protocols and our return plan (details to come). Any refusal to do so will jeopardize your housing contract and may result in your status as a student to be reviewed.

Please be advised, we are working diligently to develop the safe return plan and as such will not be responding to calls, emails, or social media this weekend for general COVID or Residence Life questions. The university COVID hotline remains available for medical questions and test reporting. We will communicate more in the coming days and encourage students to share these updates with your families.

Residence Life will continue to honor requests for housing contract cancellations. To start this process, complete submit a contract cancellation request www.uwlax.edu/reslife/apply-for-housing/housing-contract. At this time, there is no deadline for students to submit a cancellation request.

Thank you for your compliance with the directives above.

Enjoy your weekend,

Jenni Brundage
