Greetings UWL students and colleagues,

### **UWL's indoor mask requirement has been extended:**

**This order will be in effect through Friday, November 26, 2021** and will be reviewed prior to its expiration. This updated order "extends the previous order issued August 26, 2021, and continues in effectiveness as of Friday, October 1, 2021. The order will expire on Friday, November 26, 2021 unless extended, terminated, or otherwise modified based on changing conditions related the COVID-19 Delta (or other) variants, including but not limited to changes in CDC guidance, state and local public health conditions, and campus safety."

If you have any questions on the mask mandate or how it will affect the operations within your spaces and classrooms, please contact your chair, supervisor or division head for guidance.

### **Vaccination and reporting:**

Reminder – the vaccination clinic reopens at noon today. **Details were sent yesterday in an email from UComm.** Students - **if you're vaccinated, please let us know.** We are making great progress toward our goals. Thank you and keep it up!

### **Testing center CLOSED Friday, October 1:**

The testing center will be closed Friday, October 1 and will reopen Monday, October 4. Last day to get tested on campus before Oktoberfest is tomorrow, Thursday, September 30. We encourage everyone to please consider getting tested before the weekend especially in light of the Oktoberfest activities happening in La Crosse.

Thanks so much,
