**Subject:** Dining Update

We have received several questions related to Dining as we have changed and added venues in recent days. We began serving food in tents because of numerous reports of COVID-19 cases in the Main Dining Room of Whitney Center. The tents provide a safer and simpler method of serving students. We will continue to adjust our plan with health and safety as our top priority.

On October 2, the tent behind Sanford and in front of Reuter will be moved near Wentz Hall. We ask that students who have been isolated or quarantined in Wentz or other residence halls pick up their food at this location. These students should not use other Dining locations at this time. The Coate Hall tent will continue to serve all other students with a Dining Plan. Please note that Sono is currently open for transfer meals, and the Cellar will open for transfer meals next week.

We will provide weekly updates regarding Dining hours and locations on campus. Please note that serving from tents is not a sustainable model, and that we plan to return to Whitney Center when it is safe to do so. Wearing a face covering and maintaining physical distancing will help make this possible.

We know that students and parents will have further concerns or questions related to Dining. Please refer your concerns/questions to [lringgenberg@uwlax.edu](mailto:lringgenberg@uwlax.edu) or [mvahala@uwlax.edu](mailto:mvahala@uwlax.edu). Our objective is to continue to provide all students with a positive Dining experience. The hours, by location, for Oct. 2-11 are as follows:

**Dining Hours**

**Friday, October 2**

- **Coate Field Tent**  
◊ Breakfast: 7:00 am – 10:00 am ◊ Lunch: 11:00 am – 2:00 pm ◊ Dinner: 4:30 pm – 7:30 pm
