**Subject:** Booster Campaign Ending Soon!

Happy Monday Eagles!

At the start of the semester, we launched a Booster Incentive Campaign to encourage the UWL students to get their booster shot. The deadline to be included in the drawing is near and we want to make sure all Eagles have the opportunity to win prizes and scholarships.

Students who receive their booster shot and grant UWL's Student Health Center permission to confirm their status will be entered into drawings for prizes and scholarships. To become eligible, students must have received their booster shot and complete a [short survey](#).

UWL will award five - \$1,000 scholarships, which will be distributed by a drawing at the end of April. Winners will also receive a limited-edition UWL t-shirt or hoodie.

If you haven't received your booster, don't worry, there is still time! UWL is hosting a vaccination drive this week!

- Location: Cartwright Center, 2<sup>nd</sup> Floor
- Dates and Times:
  - Thursday, April 28 from 10am to 6pm
  - Friday, April 29 from 10am to 6pm
  - Saturday April 30 from 10am to 6pm
- Vaccines: Pfizer (including pediatric), Moderna, and J&J will be available
  - **2<sup>nd</sup> boosters available for those eligible**
- Registration: [Pre-registration](#) is requested, but not required. Walk-in's will be accepted.

Once you are boosted, do not miss your opportunity to win a scholarship! Complete the survey today!
