Subject: COVID-19 Testing for Off-Campus Students

Date: October 12, 2020 at 2:55:07 PM CDT

To: Students <students@uwlax.edu>

Happy Monday!

Starting Monday, October 12, The UWL Student Health Center will be providing up to 50 antigen tests a day for **off-campus students only**. Tests will be administered from 8am-3:30pm Monday through Friday in 212 Cartwright. On campus-students will continue to be tested by email invitation according to Residence Halls.

Antigen tests use a shallow nasal swab and offer same-day results. Antigen testing is for students without symptoms. Students with symptoms, even mild should call 608-785-8558 to be directed to PCR testing. This is not the invasive PCR testing, but a PCR test will be recommended for a positive result.

We highly recommend that **off-campus students** take advantage of this opportunity and get tested. This is a free testing event, and insurance cards are **not** needed in order to be tested.To sign up for an appointment, please use the link below: https://www.signupgenius.com/go/8050c48abac2dabfb6-offcampus

If you have questions about testing for off-campus students and COVID-19, please refer to the following link: https://www.uwlax.edu/info/covid-19/ask-a-question/

Stay healthy,

Cate Wiza, President
Olivia Ahnen, Vice President
