  - General emphasis
  - Music Theatre emphasis
  - Performance emphasis
  - Stage Management emphasis

## College of Science & Health

- Biochemistry
- Biology
  - Aquatic Science concentration
  - Biomedical Science concentration
  - Biology Education (EA-A certification)
  - Cellular & Molecular concentration
  - Environmental Science concentration
  - Plant & Fungal concentration
  - Dual degree in Biology and Physical Therapy
- Chemistry (ACS certification)
  - Business concentration
  - Chemistry Education (EA-A certification)
  - Environmental Science Concentration
  - Dual degree in Chemistry & Engineering
- Clinical Laboratory Science
- Computer Science
  - Computer Engineering technology emphasis
  - Computer science education (EA-A certification)
  - Dual degree in Computer Science & Engineering
  - Dual degree in Computer Science & Master of Software Engineering
- Exercise and Sport Science
  - Exercise Science emphasis
    - Fitness track
    - Pre-Professional track
  - Physical Education Emphasis
  - Sport Management Emphasis
- General Science Education (EA-A certification)(2<sup>nd</sup> major only)
- Geography
  - Environmental Science concentration

- Geographic Information Science concentration
- Geography Education (EA-A certification)
- Mathematics
  - Applied Emphasis
  - Mathematics Education (EA-A certification)
  - Dual degree in Mathematics & Engineering
- Microbiology
  - Biomedical Concentration
  - Business Concentration
  - Environmental Science Concentration
- Nuclear Medicine Technology
- Physics
  - Astronomy Emphasis
  - Biomedical Concentration
  - Business Concentration
  - Computational Physics Emphasis
  - Optics Emphasis
  - Physics Education
  - Dual degree in Physics & Physical Therapy
  - Dual degree in Physics & Engineering
- Public Health & Community Health Education
- Radiation Therapy
- Recreation Management:
  - Community-based Recreation Emphasis
  - Generalist emphasis
  - Outdoor Recreation emphasis
  - Tourism Emphasis
- School Health Education
- Statistics
  - Actuarial Science Concentration
- Therapeutic Recreation

## School of Education

- Early Childhood-Middle Childhood Education
- Middle Childhood-Early Adolescence Education
- Art Education (MC-EA certification)
- French Education (MC-EA certification)
- German Studies Education (MC-EA certification)
- Music Education (MC-EA certification)
  - Choral Education
  - General Music Education
  - Instrumental Education
- Spanish Education (MC-EA certification)
