

## Mission

The Academic Advising Center and Career Services along with the Pre-Health Student Resource Center is a team of educators who advise, encourage, challenge, and support students in their academic planning and career development. We are committed to continuous improvement and innovation in services and programming. We seek to empower students to pursue the knowledge and experience necessary to make informed academic and career decisions congruent with their values and identity, leading to success at UWL and beyond.

## Academic Advising Outreach Efforts

### START

AAC Advisors meet one-on-one with first year students during June START, helping them to understand requirements and to set their fall course schedule.

### Student Success

Each spring semester, AAC advisors serve as Student Success advisors to improve the academic performance of students who are on Academic Probation and have a faculty advisor. In the Spring Semester, there were 82 students involved in this program

# PRE-HEALTH STUDENT RESOURCE CENTER

The Pre-Health Student Resource Center provides academic advising, programming, and coursework to help students explore healthcare careers, plan coursework, and prepare for applications.
