

## Fall 2017

### Health & Wellness Management Student Admission Information

## REGARDING YOUR LETTER OF ADMISSION

Your admission has been granted based on your past academic record and any courses in progress this year. Final admission is contingent upon:

- Receipt of an official transcript that includes fall semester grades no later than January 30, 2017.
- Receipt of a final official transcript that includes grades from the spring 2017 semester on file in the Admissions Office by July 1.
- If you are also taking summer session courses elsewhere, we must receive an official transcript with spring grades by July 1 and we must receive a final official transcript with summer session grades by August 28.
- If you have an established grade point average, it is our expectation that you will maintain this grade point average.
- NOTE: Final transcripts will be reviewed to check grades. Poor academic performance may result in your admission being rescinded.
