

# Welcoming. Active. Driven. Engaged.

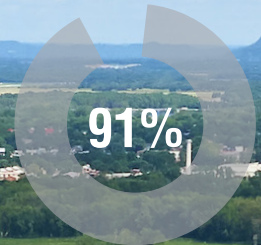

These words describe the University of Wisconsin-La Crosse and, more importantly, our students. Join our campus community and learn from distinguished professors, conduct collaborative research, acquire an internship in your field of study, and earn a well-respected degree. Study alongside other intelligent, motivated students and challenge yourself to step outside of your comfort zone. Our dedicated faculty and staff are here to mentor you and guide you toward success.

## LA CROSSE, WISCONSIN

is located in the Upper Midwest region of the United States. With a population of 51,567, La Crosse boasts all of the benefits of a mid-size community: arts and entertainment, athletics and recreation, business and industry, state-of-the-art health care, and, most importantly, safety. Bike or rollerblade at Riverside Park on the Mississippi River, enjoy the view from Granddad Bluff (180 meters above the city!), hang out with friends at local restaurants and coffee shops, catch a movie at the downtown budget theatre, and shop at the mall or the many boutiques and large department stores.

Experience all four seasons, with daily temperatures ranging from 30°C in summer to -15°C in winter. It will not take you long to see why La Crosse has a reputation for being a friendly, safe, and welcoming community!

## ON-CAMPUS HOUSING

UWL has 10 residence halls and guarantees on-campus housing for new international students. Popular choices include Eagle Hall (suite-style) and Reuter Hall (apartment-style). The residence halls are comfortable, safe, and close to academic buildings. Students form life-long friendships and feel a strong sense of community.

## Programs of Study

### COLLEGE OF BUSINESS ADMINISTRATION

- Accountancy
- Business Administration\*
- Business Analytics\*
- Economics
- Finance with concentration in:
  - Risk, Insurance, and Financial Planning
- Health Information Management and Technology
- Health Information Systems Management\*
- Healthcare Analytics Management\*
- Information Systems
- International Business
- Management
- Marketing
- Sustainable Business\*

### COLLEGE OF ARTS, SOCIAL SCIENCES, AND HUMANITIES

- Anthropology\*
- Archaeological Studies with emphasis in:
  - Cultural Anthropology
  - At-Risk Child & Youth Care\*
  - Chinese Studies\*
- Communication Studies with emphases in:
  - Interpersonal Communication
  - Media Studies
  - Organizational and Professional Communication
  - Public Communication and Advocacy
- Creative Writing\*
- Criminal Justice\*
- Digital Media Studies and Design\*
- Economics+
- English+ with emphases in:
  - Literary and Cultural Studies
  - Medical Professions
  - Writing and Rhetoric
- Environmental Studies\*
- Ethics\*
- Ethnic and Racial Studies\*
- French+ with concentration in:
  - Business
  - French Proficiency Certificate (c)
  - German Studies with concentration in:
    - Business
- Gerontology emphasis
- History+ with emphases in:
  - Regional
  - Topical
  - World
- Hmong and Hmong-American Studies Certificate (c)
- International Studies\*
- Leadership Development\*
- Legal Studies\*
- Linguistics\*
- Military Science\*

  - Choral+ - Performance
  - General+ - Piano Pedagogy
  - Instrumental+ - Theory
  - Jazz Performance
- Music Performance\*
- Photography\*
- Theatre Arts with emphases in:
  - Arts Administration - Musical
  - Design/Technical - Performance
  - General - Stage Management

### COLLEGE OF SCIENCE AND HEALTH

- Biochemistry with American Society for Biochemistry & Molecular Biology (ASBMB) Certification
- Biology+ with concentrations in:
  - Aquatic Science
  - Biomedical Science
  - Molecular Genetics & Cell Biology
  - Environmental Science
  - Plant and Fungal
- Chemistry with concentrations in:
  - Chemistry+ with American Chemical Society (ACS) Certification
  - Business
  - Environmental Science
- Clinical Laboratory Science
- Computational Science\*
- Computer Engineering
- Computer Science+ with emphases in:
  - Computer Engineering Technology
  - Embedded Systems
- Earth Science+\*
- Exercise and Sport Science with emphases in:
  - Fitness
  - Physical, Adapted, and School Health Education+
  - Pre-Professional
  - Sport Management with concentration in:
    - Coaching Competitive Athletics
- General Science Education (Broad Field)+ (2nd major only)
- Geology+\*
- Geography+ with concentrations in:
  - Environmental Science
  - Geographic Information Science
- Health and Wellness Management
- Human Geography\*
- Inclusive Recreation\*
- Mathematics+ with emphases in:
  - Applied
  - Education
- Microbiology with concentrations in:
  - Biomedical Science
  - Business
  - Environmental Science
- Nuclear Medicine Technology
- Nutrition\*
- Physics+ with emphases in:
  - Applied Physics
  - Astronomy
  - Computational
  - Optics
- with concentrations in:
  - Biomedical
  - Business
- Public Health and Community Health Education
- Radiologic Science with emphasis in:
  - Radiation Therapy
  - Radiologic Technology
- Recreation Management with emphases in:
  - Community-Based Recreation
  - Generalist
  - Outdoor Recreation
  - Tourism & Event Management
- Statistics with concentration in:
  - Actuarial Science
- Therapeutic Recreation

### SCHOOL OF EDUCATION

- Early Childhood-Middle Childhood (PreK-6)
- Middle Childhood-Early Adolescence (Grades 1-8) with a certifiable minor
- Early Childhood-Adolescence (PreK-12) - includes majors in French, Music (Choral, General, Instrumental), Spanish, and additional minors
- Early Adolescence-Adolescence (Middle Level/Secondary) - includes majors in Biology, Chemistry, Computer Science, English, General Science, Geography, History, Mathematics, Physics, Political Science, Social Studies (Broad Field), Sociology, and additional minors
- Kindergarten through Grade 12 Education - includes majors in Art, and Physical, Adapted, and School Health Education
- Special Education Certification\*
- TESOL (Teaching English to Speakers of Other Languages)\*

Minor Only (\*) Teacher Certification (+) Certificate Program (c)

### GRADUATE PROGRAMS

- Athletic Training
- Applied Statistics
- Biology with concentrations in:
  - Aquatic Science
  - Cellular and Molecular
  - Environmental Science
  - Nurse Anesthesia
  - Physiology
- Clinical Exercise Physiology
- Cybersecurity
- Data Science
- Education - Educational Leadership Certificate (c)
- Education - English Language Arts Elementary Certificate (c)
- Education - Professional Development Program
  - Learning Community, MSED
  - Educational Leadership, MSED
  - Educational Leadership with Director of Instruction certification, MSED
  - Director of Instruction add-on certification
- Education - Professional Learning Community Certificate (c)
- Education - Reading Graduate Program
  - Reading, MSED (non-certification)
  - Reading: Reading Teacher, MSED (1316 certification)
  - Reading: Reading Specialist, MSED (5017 certification)
  - Reading: Reading Teacher and Reading Specialist, MSED (1316 and 5017 certification)
  - Reading Teacher Certificate (1316 certification) (c)
  - Reading Specialist add-on certification (5017 certification)
- Exercise and Sport Science
  - Physical Education-Teaching with emphases in:
    - Adapted Physical Education
    - Adventure/Outdoor Pursuits
- Healthcare Administration
- Information Technology Management
- Medical Dosimetry
- Microbiology with emphasis in:
  - Clinical Microbiology
- Occupational Therapy
- Physical Therapy, DPT (clinical doctorate)
- Physician Assistant Studies
- Recreation Management
  - Professional Development
- School Psychology, MSED and Ed.S.
- Software Engineering, MSE
- Student Affairs Administration in Higher Education, MSED
- Student Affairs Administration and Leadership, Ed.D
- Therapeutic Recreation

### PRE-PROFESSIONAL STUDIES

- Athletic Training
- Chiropractic
- Clinical Exercise Physiology
- Dentistry
- Engineering
- Forestry (Natural Resources, Conservation, Wildlife Management)
- Genetic Counseling
- Law
- Medical Dosimetry
- Medicine
- Occupational Therapy
- Optometry
- Osteopathy
- Pharmacy
- Physical Therapy
- Physician Assistant Studies
- Podiatry
- Veterinary Science

### DUAL DEGREES

- Biology/Physical Therapy
- Chemistry/Engineering
- Clinical Laboratory Science/Clinical Microbiology
- Computer Science/Engineering
- Computer Science/Software Engineering
- Mathematics/Engineering
- Physics/Engineering
- Physics/Physical Therapy
- Statistics/Applied Statistics
- Recreation Management
- Therapeutic Recreation
