IMPORTANT DATES AND INFORMATION

• Arrival Dates: August 30 – August 31
  Plan to arrive in La Crosse during these dates if you would like to be picked up from the La Crosse Airport or train station. If you arrive before or after these dates, you will need to arrange your own transportation to campus. The pick-up service is only available to students living on-campus. All new students must submit arrival information at: www.uwlax.edu/Admissions/Pre-departure-and-arrival

• ESL Placement Exam, Math Placement, and Immigration Check-In: September 1
  All new international students must check-in at the International Education & Engagement Office upon arrival. If you will begin your studies in the ESL Institute, you are required to report to IEE at 8 a.m. on September 1 for your placement exam. Undergraduate students who must sit for the math placement exam as noted in your admission materials will have an opportunity to do so on September 1.

International Student Orientation September 1-6
  Coming to a new city and enrolling at a university can be an exciting opportunity, but also a challenging experience. To help with your transition to UW-La Crosse and our community, IEE requires all new international students to attend International Student Orientation.

  During orientation you will enjoy a campus tour, a shopping trip, information about maintaining immigration status, a banking session, and evening social events to help you meet your fellow students. You will be assigned a peer advisor, a current student, who will be available to help you find your way around campus. They will also be able to answer questions about campus life, and will serve as a friendly face throughout orientation week and your first year.

  As a UWL international student, you must attend New International Student Orientation!

GETTING YOUR FINANCES IN ORDER

Preparing a budget & sufficient funds:

Before arriving at UWL, make sure that you have enough funds for your stay in the United States. This means you must have enough money to cover tuition, fees, housing, meals, health insurance, travel and any other personal expenses. Use your I-20 or DS-2019 as a guide to how much money to bring. Do not rely on UWL for financial assistance unless you have been awarded a scholarship, assistantship or other financial aid.

Other expenses to consider while preparing a budget include: books & school supplies, winter clothing, travel, and shipping items to your home country.

For information on payments, deadlines, and tuition costs, visit: www.uwlax.edu/cashiers

HEALTH INSURANCE

Participation in the UWL group health insurance plan is required for all international students in F-1 and J-1 status. You will automatically be enrolled in the insurance plan and the cost will be added to your student bill. Students are responsible for all costs not covered by insurance.

Insurance for Dependents

If you plan on bringing dependents with you to the U.S. (spouse and/or children), they must be adequately insured prior to arrival. The primary student visa holder is responsible for their dependents’ insurance.
