A DIAMOND IN THE BLUFFS

Recognized as one of the best places to live,
La Crosse is home to over 52,000 people.
There's plenty for you to see and do beyond
the campus limits. With its arts, restaurants
and shopping, historic downtown La Crosse is
just steps, or a free bus ride, from campus.

Enjoy the outdoors and explore the
surrounding bluffs: camp, hike, kayak and
bike. The unforgettable views will inspire
your soul while you strengthen your mind.

COLLEGE OF BUSINESS ADMINISTRATION

BUSINESS EDUCATION WITHOUT BORDERS

A global perspective is fundamental to understanding the world of business today – and that is precisely what you will find in the College of Business Administration (CBA). Established in 1982, the CBA stands proudly among the prestigious six percent of business schools worldwide accredited by the Association to Advance Collegiate Schools of Business (AACSB) International, reflecting our unwavering commitment to excellence.

We champion student growth and development, providing graduates with an extraordinary foundation and a springboard to launch successful careers. Our curriculum emphasizes applied learning through hands-on experiences, real-world business projects, and strong partnerships with local, regional, and global companies. In addition, we place special emphasis on emerging technologies, fostering a sense of social and environmental responsibility, and encouraging students to connect what they learn in their classes with professional practices that ensure students graduate career-ready.

HALEY KLUNDT

"The UWL Economics Program provided many opportunities to partner with local companies to solve real-world problems, which helped me to grow in my ability to use data to tell compelling stories and provide actionable solutions."

UWL

40YEARS

THE CBA HAS HELD AACSB
ACCREDITATION FOR OVER 40 YEARS

FULFILL YOUR DREAM TO TEACH

Become a teacher by joining the School of Education. You will shape young minds and make a profound impact on the world.

The School of Education's educator preparation programs are housed within multiple departments and colleges across the UWL campus, ensuring a holistic approach to your training.

High praise from the Wisconsin Department of Public Instruction and Higher Learning Commission underscores the excellence of our programs. From our meticulously curated general education curriculum to our student-centric majors and innovative, dual-license options, we are dedicated to equipping aspiring teachers with the tools they need to thrive in today's educational landscape. Join us at the forefront of educational excellence and embark on a transformative path to explore your passion for teaching.

SCHOOL OF EDUCATION

COLLEGE OF ARTS, SOCIAL SCIENCES, AND HUMANITIES

including the School of Visual and Performing Arts

LEARN TO BE A GLOBAL CITIZEN IN AN INCREASINGLY COMPLEX WORLD

Today's professional world relies on the ability to think critically, communicate clearly and creatively, collaborate with diverse teams, and adapt to new situations. Expand these skills through hands-on learning experiences in the College of Arts, Social Sciences, and Humanities (CASSH). You'll find opportunities for student research, creative projects, community engagement partnerships, internships and study abroad.

CASSH alumni work in diverse areas such as education, politics, business, nonprofits and more. Learn how you can design your future through one of our 90 undergraduate or eight graduate degree programs in the humanities, social sciences, visual and performing arts, and interdisciplinary areas.

As a CASSH graduate, you'll gain a versatile skill set that transcends traditional career boundaries and prepares you to excel in jobs that are yet to emerge.

CREATE. EXPLORE. INTERPRET. INNOVATE.

Whether you're preparing for a fulfilling career in the arts or simply exploring your creative interests, the School of Visual & Performing Arts (VPA) at UWL offers a place to thrive. From visual arts and music to theater and dance, our programs invite you to pursue your passion. Through performances, exhibitions, and community-wide festivals, the VPA enriches both campus life and the cultural landscape of the greater La Crosse area.

The nationally recognized Theatre & Dance Department has launched graduates into rewarding careers onstage and behind-the-scenes in professional theater and television. On-campus art exhibitions feature the work of professional artists and talented students from all six studio concentration areas within the Department of Art. The Department of Music presents over 60 performances annually, welcoming students from all majors to perform in regionally-recognized ensembles alongside music majors. Music degree programs are fully accredited by the National Association of Schools of Music.

Looking to immerse yourself even more? Students can choose to live in the newly-renovated Wentz Hall, home to the Arts Living & Learning Community – providing an opportunity for creative connections outside the classroom.

COLLEGE OF SCIENCE AND HEALTH

DON'T JUST LEARN – EXPERIENCE

Whether you're driven to explore the mysteries of the universe, tackle global health challenges, or shape the next wave of technology, UWL's College of Science and Health (CSH) offers immersive, hands-on opportunities to prepare you to make a lasting impact.

As the largest college on campus, CSH provides a diverse range of programs spanning computational, computer, data, health, food, life, physical, sport, and recreational sciences. Degree paths such as Recreation Management, Geography, Microbiology and Public Health offer specialized expertise in high-demand fields.

Students gain extraordinary access to groundbreaking minds through the Distinguished Lecture Series, featuring Nobel Prize winning physicists and industry-leading tech innovators. Beyond the classroom, faculty-mentored research opportunities, state-of-the-art labs, and hands-on field experiences give students a competitive edge in their careers.

CSH is also a leader in health-related disciplines, with nationally-ranked programs — Physician Assistant Studies (No. 15) and Physical Therapy (No. 42) by *U.S. News & World Report*.

ELLIE SCHNEIDER

"I am so grateful for the level of research mentorship I've had at UWL. When I started my internship, I was so well prepared because I had been doing research since my freshman year."

UNDERGRADUATE RESEARCH AND CREATIVITY

MAKE BREAKTHROUGHS, NOT JUST GRADES

Dive into the world of research! If you have an area of interest, we'll help you find a mentor on the UWL campus to get started with an undergraduate research project.

At UWL, we believe in putting classroom knowledge into practice through rigorous research, scholarly and creative activities across all academic disciplines. Our students have investigated topics from innovative renewable energy generators to archaeological sites from the Bronze Age.

We know research is the key for student development of lifelong skills to excel in future careers. The Office of Student Research, Creativity, & Experiential Learning (SRCEL) will help you find resources to connect with a research mentor and project, fund your research, present your findings, and publish your work. SRCEL also publishes a yearly journal showcasing the intellectual strides made by UWL students over the course of the year.

ACCESS AND BELONGING

CHAMPIONING STUDENT SUCCESS

As part of its mission, UW-La Crosse "provides a challenging, dynamic, and diverse learning environment in which the entire university community is fully engaged in supporting student success." To achieve that mission, UWL is committed to providing human and financial resources that empower students to discover the many opportunities and pathways that help them realize their higher education dreams.

That support of student success is at the core of the Division of Access, Belonging & Compliance. The Division fosters a strong sense of community across the campus, while also providing leadership, development, and advocacy that educates students to live the Wisconsin Idea and succeed in a global society.

EMILY BONOANNO

SUPPORTING YOUR NEXT MISSION: EDUCATION

Your transition from military to university life should be as seamless as possible.

The Veteran & Military Connection office can help link you to Veterans Affairs, where you will be able to discover what educational benefits you may have and garner the eligibility documents UWL requires as proof of those benefits.

The Veterans Center in the Student Union provides a relaxing place for veteran and military-connected students and their family members to meet and study.

VETERAN & MILITARY CONNECTION

STUDENT ACTIVITIES

MORE THAN A CAMPUS – IT'S A COMMUNITY

College is an amazing time to learn, grow and build lifelong relationships. Fortunately, UWL offers daily opportunities for you to do so through our Center for Organizations, Vision, & Engagement (COVE)

With more than 200 student organizations, weekly social programming, leadership programs and service opportunities, it could not be easier to get involved. Whether you want to join a special interest group, an academic honor society, a sport club or a service club, getting involved in a student organization gives you opportunities to build community, further develop your skills, and make a positive impact on the campus and community.

Beyond our student organizations, consider getting involved in community service through our Leadership & Involvement Center, playing BINGO with our Campus Activities Board, attending programs with our Pride Center or Multicultural Student Organizations, working with campus governance in our Student Association, or even joining an intentional leadership and philanthropic community through one of our four social Fraternity & Sorority Life chapters. The options to get involved are endless!

NIKKI RAULS
"Campus life buzzes with academic, athletic, and advocacy-based opportunity."

200+ STUDENT ORGANIZATIONS

EDUCATION ABROAD

BROADEN YOUR WORLD — AND YOUR PERSPECTIVE

Whether you're dreaming of the beaches of Hawaii or the vibrant streets of Hong Kong, the Office of International Education and Engagement (IEE) at UWL is here to help you explore the world while earning academic credit. Each year, nearly 350 UWL students take part in study abroad and national student exchange programs, immersing themselves in new cultures and gaining experiences that go far beyond the classroom.

Our dedicated team of advisors and student staff are here to help you prepare for your journey abroad — from choosing the right program to navigating financial aid and applying for scholarships and grants.

A semester abroad or away doesn't just change how you see the world — it sets you apart. Develop cross-cultural skills, expand your global awareness, and add a standout experience to your resume.

INTERNSHIPS

OPEN THE DOOR TO OPPORTUNITY

Are you looking for the ultimate way to explore a potential career? Do you want to earn credit while getting paid? Maybe you want to gain relevant work experience to make you a stronger candidate for employment.

Whatever your reason for wanting an internship, UWL Academic Advising Center & Career Services is here to help you find resources from searching to applying, networking to accepting the internship offer. The office assists students from all academic disciplinary areas.

From Kwik Trip's national headquarters to Harley-Davidson, our students have secured coveted internships with esteemed organizations. As La Crosse is home to two nationally-acclaimed hospitals, Emplify-Health and Mayo Clinic Health-System, students are able to obtain clinical internships locally.

INTERCOLLEGIATE ATHLETICS

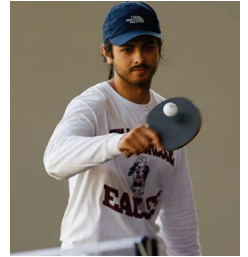

At UW-La Crosse, athletics is more than competition — it's about becoming your best self. Our nationally-recognized, comprehensive athletics program is built around the total development of the student-athlete, supporting growth in the classroom, in competition and in the community.

As an NCAA Division III program, UWL Athletics has a proud and sustained record of excellence. This year alone, UWL brought home three national titles, raising the university's all-time total to 79 championships across all sports. But success at UWL goes beyond the scoreboard. Our student-athletes consistently demonstrate high academic achievement. At UWL, athletics is not separate from education—it's an integral part of it. Our coaches serve as educators and mentors, guiding student-athletes to grow as leaders, scholars, and competitors both on and off the field.

Whether you're chasing championships or personal bests, our top priority is to provide a positive, rewarding, and meaningful college athletics experience — one that lasts long after the final whistle. **#AsAnEagle**

BUILDING CHAMPIONS
IN SPORT. IN SCHOOL. IN LIFE.

SPORTS, FITNESS & RECREATION

FITNESS. FRIENDSHIP. FUN.

Welcome to where your college adventure takes an exciting turn! The UWL Recreational Sports Department, or Rec Sports for short, is all about helping you thrive through active living. It's not just about fitness; it's about fun, friends and "discovering your fit."

We are about stress relief, helping you discover new hobbies and activities, and making friends and connections that will last a lifetime. Whether you're hitting the gym, joining a team or exploring the outdoors, you're setting the stage for a healthier, happier you.

Rec Sports showcases an extensive range of facilities and programs to match every fitness level and interest. Enjoy free time on the courts, modern workout spaces, state-of-the-art fitness equipment and the EZONE, our esports and gaming space that offers a vibrant community for gamers. Engage in competitive fun with Intramural Sports or join one of our 20+ Sport Clubs. Find your groove in group fitness classes like yoga and Zumba®. Adventure awaits no matter the season with Outdoor Connection and the indoor climbing gym; join a trip, rent outdoor equipment and soar to new heights. With something for everyone, fitting an active lifestyle into your schedule has never been easier.

GUIDE TO FALL 2026 ADMISSION

APPLICATION PERIOD

Applications for Fall 2026 are accepted between August 1, 2025 and February 1, 2026. Applications received later will be considered on a space-available basis. Applicants for Spring 2026 can apply beginning April 1, 2025.

ADMISSION DECISIONS

Expect to receive an admission decision within three to five weeks via mail after submitting your online application and required materials (see "What We Need" below).

HIGH SCHOOL COURSES	MINIMUM	AVERAGE
ENGLISH	4	4
MATHEMATICS: Algebra I, Geometry and Algebra II	3	4
NATURAL SCIENCES: At least two credits from Biology, Chemistry, Physics or advanced courses in these disciplines	3	4
SOCIAL SCIENCE/HISTORY	3	4
WORLD LANGUAGE	No Requirement	3

WHAT WE NEED

- Universities of Wisconsin application for undergraduate admission
- Nonrefundable application fee
- High school transcript
- ACT/SAT scores (optional)

WHAT WE CONSIDER

- Academic preparation is the primary consideration, which includes:
 - Course Rigor
 - Class Rank/GPA
- We also consider secondary factors, including:
 - ACT/SAT scores (optional)
 - Extracurricular activities
 - Demonstrated leadership
 - Essays
 - Letters of recommendation (optional)
- Due to the competitive nature of admission to UWL, all applicants receive a comprehensive review.

"At UWL, I've been actively involved in campus and community activities that combine leadership and service opportunities such as participating in Physical Therapy Club, Vanguard Organization, organizing Special Olympics events and serving as a graduate assistant coach for the wrestling team."

Brandon Murphy

FRESHMAN ADMISSION PROCESS

- Apply online using the Universities of Wisconsin application for undergraduate admission at apply.wisconsin.edu and submit your nonrefundable application fee, high school transcript and ACT/SAT scores (optional).
- If admitted, submit your \$100 enrollment deposit (refundable until May 1), to secure your place in the freshman class and to become eligible to sign up for on-campus housing. Deposits are paid through the WINGS Student Center at uwlax.edu/wings. Enrollment deposits submitted after May 1 will be accepted on a space-available basis.
- You will receive information about on-campus housing after submitting your \$100 enrollment deposit.
- Visit the admitted student webpage at uwlax.edu/admissions/next-steps/admitted-new-freshman/ to guide you through enrollment.
- Apply for need-based financial aid using the FAFSA (studentaid.gov). Submitted income tax records are needed to complete this form. Priority date is February 1; however, applications are considered throughout the year.
- Apply for scholarships through the UWL Alumni & Friends Foundation (uwlax.academicworks.com) by February 1.
- Take the Universities of Wisconsin Placement Tests in English, mathematics and an optional world language. Tests are offered beginning in March. Test registration information will be mailed in early February.
- If you are a resident of Minnesota, file for tuition reciprocity online after April 1 at ohe.state.mn.us.
- Attend START (Student Advising, Registration, and Transition). Information will be mailed in April to all students who have submitted the \$100 enrollment deposit. START takes place in June.
- After graduation, have your high school send an official final transcript to our Admissions Office. Also send Advanced Placement or International Baccalaureate scores. If you have college credits, request that an official transcript be sent from the crediting institution. Be sure to send all transcripts before START!
- Watch your UWL email in June for housing and roommate assignments. Pack for UWL.
- Move in over Labor Day weekend and explore New Student Orientation and Welcome Week activities.

Note: For international student admissions, please visit uwlax.edu/apply/international

TRANSFER ADMISSION GUIDELINES

We welcome applicants who wish to transfer from other colleges, universities or two-year institutions. All applicants for admission will receive a comprehensive review. Academic preparation is the primary criteria used in the admissions review process. We also consider extracurricular involvement, demonstrated leadership, essay responses, and recommendations as important factors in transfer admission.

WHAT YOU NEED TO KNOW

- Students with at least a 2.25 cumulative grade point average in transferable credits will be stronger candidates for admission.
- Students with a cumulative grade point average between 2.00 and 2.24 in transferable credits will be considered for admission if space is available.
- Students who were not admissible as new freshmen must have earned at least 18 transferable credits after high school graduation to be considered for transfer admission.

Please note: Admission to UWL does not ensure admission to specific degree programs. All transfer students must meet the same criteria as continuing students for admission to specific majors or programs.

Note: For international student admissions, visit uwlax.edu/apply/international

TRANSFER ADMISSION PROCESS

- Applications for Spring 2026 are accepted beginning April 1, 2025. Applications for Fall 2026 are accepted beginning August 1, 2025. Applications are considered on a rolling basis. When we have reached a maximum number of transfer students per term, admission will close.
- Apply online using the Universities of Wisconsin application for undergraduate admission at apply.wisconsin.edu and submit your nonrefundable application fee and appropriate supporting documents: high school transcript, official college transcript(s), and a list of current courses in progress.
- If admitted, the Admissions Office will evaluate the courses you completed to determine your classification as a freshman, sophomore, junior or senior.
- Once complete, you will receive an email confirming that you can review your transfer credit report online using the WINGS Student Center.
- Apply for need-based financial aid using the FAFSA (studentaid.gov).
- Universities of Wisconsin Placement Testing may be required to enroll in English, mathematics and world language.
- Attend Transfer Resources and Engagement Kickoff (TREK). Invitations will be sent to all admitted students with your registration information.
- If you are a resident of Minnesota, file for tuition reciprocity online after April 1 at oh.state.mn.us

TRANSFER CREDIT

- Transfer Wisconsin wisconsin.edu/transfer
Transfer Wisconsin is the result of a collaborative effort by the Universities of Wisconsin and the Wisconsin Technical College System to help students transfer between all public, post-secondary institutions in the State of Wisconsin. The Transfer Wisconsin website offers tools and a wealth of resources for you to take the next steps toward enrolling at UWL.
- Transferology transferology.com/school/uwlax
Transferology is a nationwide network designed to help students answer the question of how their courses will transfer. Simply enter your courses to find equivalent courses at UWL or use the Transferology site to inform UWL about coursework that has not yet been evaluated. Create a free user account and get started with discovering how your courses will transfer to UWL.

STUDENT TUITION AND FEES

ESTIMATED 2025-26 UNDERGRADUATE COST OF ATTENDANCE				
	Wisconsin	Minnesota with reciprocity	Nonresident	Midwest Tuition Rate
Tuition and Fees	\$10,240	\$10,599	\$19,687	\$14,407
Room	\$4,692	\$4,692	\$4,692	\$4,692
Meals	\$3,191	\$3,191	\$3,191	\$3,191
Total	\$18,123	\$18,482	\$27,570	\$23,125

FINANCIAL AID

We are committed to providing the information you need to pursue your goals and make the most of all available financial resources. Using the FAFSA (Free Application for Federal Student Aid), the Financial Aid Office determines each student's eligibility for need-based financial aid from federal, state and institutional sources. If applying for financial aid, the FAFSA application is available online at studentaid.gov.

You will need your completed federal income tax information to submit the FAFSA. The priority date is February 1 for consideration of all types of need-based aid; however, applications are accepted throughout the academic year.

FINANCIAL AID QUESTIONS? | 608.785.8604
FINAID@UWLAX.EDU

SCHOLARSHIPS

- MERIT-BASED: Upon admission, student applications are reviewed for these academically competitive scholarships. To be considered, applications for admission must be submitted by February 1.
- FOUNDATION: Through the generosity of our donors, scholarships are available through the UWL Alumni & Friends Foundation. Go to uwlax.academicworks.com for application materials and apply by February 1.
- OUTSIDE SCHOLARSHIP DATABASE: The UWL Scholarship Resource Center provides scholarship information for future UWL students. Go to uwlax.edu/scholarships for more information.

MIDWEST TUITION RATE

This is a competitive merit-based tuition reduction program for selected new freshmen who are Illinois, Indiana, Iowa, Kansas, Michigan, Missouri, Nebraska, North Dakota, Ohio or South Dakota residents.

TUITION AND FEES INCLUDE

- 12-18 semester credits
- Textbook rental
- Use of Recreational Eagle Center facilities
- City bus pass
- Use of Student Health Center
- Admission into regular-season athletic events
