

## TRANSFER CREDIT EQUIVALENCY GUIDE

This guide is designed to assist with understanding your transfer credit report. Once your report is complete, we will notify you via email and direct you to your WINGS Student Center where you can view your transfer credit report.

*Note: Criteria such as number of schools attended and/or number of credits earned may extend time necessary to complete your transfer credit report.*

### The following are codes and explanations that may appear on a Transfer Credit Report:

- GEL** If GEL (General Elective) is listed, a direct course equivalent does not exist. General elective credits may be applied toward a degree in the same way that a direct course equivalent does.
- TIP** If TIP is listed in the grade column, the course is “Transfer in Progress” or currently in progress at the time the transfer credit report was completed.
- TFO** TFO (two for one) indicates a student has taken two or more transfer courses which are equal to one UWL course.
- 000L or 999L** If 000L (or 999L) is listed in the course number, lower division elective credit will be granted (freshman & sophomore level course work; 100 & 200 numbered courses.)
- 000U or 999U** If 000U (or 999U) is listed in the UWL course number, upper division elective credit will be granted (junior & senior level course work; 300 & 400 numbered courses.) A minimum of 40 credits must be earned at this 300/400 level.
- 000 or 999** Courses numbered 000 (or 999) followed by a letter do not have an equivalent and are designated as general education transfer elective. The credits may be applied to the major or minor, unless otherwise restricted. The following codes are used to identify transfer elective coursework which is applicable toward the General Education Program categories:

Equivalent Course Number	General Education Category	
000I	GE 01	Literacy
000P	GE 02	Mathematics (List 1)
000T	GE 02	Languages and Other Logical Systems (List 2)
000Y	GE 03	Minority Cultures or Multiracial Women’s Studies
000R	GE 04	World History (List 1)
000M	GE 04	Global and Multicultural Studies (List 2)
000A	GE 05	Natural Laboratory Science (List 1)
000B	GE 05	Science, Technology and Society (List 2)
000C	GE 06	Self and Society
000E	GE 07	Humanistic Studies
000H	GE 08	Arts
000K	GE 09	Health and Physical Well-Being
000Q	GE 10	General Education Transfer Elective
