These General Education requirements will typically be satisfied by students who have completed the Associate in Arts or the Associate in Science degree in MATC-Madison's Liberal Arts Transfer Program. Students accepted under this transfer policy are still required to meet all **core, professional, diversity, major, and minor** requirements. The University reserves the right to review the student's associate degree and require additional General Education courses.

# Academic Advising

While we strongly recommend that students work with Madison College advisors in scheduling their courses and planning a transfer, Madison College students are highly encouraged to work with an academic advisor at UW-La Crosse as well. Therefore, in addition to your current advisor at Madison College, listed below are advisors at UW-La Crosse who can help answer further academic advising questions.
