

WINGS Student Center Help

It is important to become familiar with your UW-L WINGS Student Center. There are many helpful links available at <http://www.uwlax.edu/wings/help/student.htm>. This site will provide you with tutorials and information on aspects of your WINGS Student center such as:

- A General Overview-- use this first!! Your Transfer course evaluation is found in your WINGS.
- A WINGS Manual
- FAQ s
- A Glossary of Terms

This site will also provide help when registering for classes. You will find tips and tutorials on:

- How to find your Registration Appointment
- Helpful WINGS Registration Tips
- How to Search for your Classes
- How to add a class to your Shopping Cart
- How to Register for Classes
- How to Swap a Class
- How to Drop a Class

NOTE: You can make the registration process quicker and easier by adding your desired classes to your **shopping cart** prior to your registration appointment. Although the shopping cart does not reserve a seat for you, it will definitely expedite the process on registration day!

You will also find a link for a **General Overview and How to Read your Academic Requirements / Advisement Report (AR)**. Your Advisement Report is your automated degree audit. This link will show you how to read your Advisement Report and then to see how your transfer courses have been applied to your program requirements.

Review all the materials from my office-they're important-including my letter.
