# UNIVERSITY *of* WISCONSIN LA CROSSE

Dear friends, alumni and distinguished guests:

From our storied beginnings in 1909, when the La Crosse Normal School was founded, to our place of prominence today in 2021, the University of Wisconsin-La Crosse has grown into one of the best public universities in the country. Thus we can be proud of many things—in particular, today's graduating class.

For more than 20 years, U.S. News & World Report has ranked UWL the top school in the UW System and among the top five public universities in the Midwest that offer undergraduate and master's programs. Also, for more than a decade UWL has been one of only two UW campuses ranked in Kiplinger Magazine's list of the Top 100 Values in American Public Higher Education, further recognition of our strong national leadership in higher education.

A commitment to excellence exists throughout the UWL campus, and the accomplishments listed on page 5 showcase some of our most notable achievements. But the greatest testament to our tradition of academic excellence is the group of outstanding students who make up today's graduating class. Each one of them is a point of pride, and we're so very grateful for that.

So on behalf of the staff and faculty here at UWL, it's my pleasure to thank you for joining us today to celebrate the crowning achievement of the university experience. The future holds great promise for our graduates, and I hope you are as proud of them as we are!

Best wishes,

Joe Gow  
Chancellor

## **Academic Dress**

The academic apparel worn by faculty and staff in the processional has its origins in the universities of the Middle Ages. Because the universities grew out of church schools, both faculty and students were regarded as part of the clergy, and wore clerical clothing based on monastic dress.

The head covering developed from the skull cap worn to protect tonsured heads in cold weather. In the universities, the skull cap acquired a point at the top which gradually evolved into a tassel. In Europe, the bonnet with a tassel is still worn, but has been replaced in America by the mortar board cap or tam with a tassel.

The style of the gown may have been borrowed from the Benedictine monk's habit. In the Middle Ages, those with bachelor's and master's degrees could be distinguished by the simplicity or elaborateness of their gowns. The master's gowns were often furred, a decoration surviving as the three velvet bars now used on the sleeves of the doctoral gown.

The hood was originally worn over the head in bad weather, and otherwise dropped onto the shoulders. First worn by faculty and students, the hood is now added to the apparel of those with master's and doctoral degrees. The color of the velvet trim on the hood indicates the scholarly field, for example, dark blue (philosophy), golden yellow (science), light blue (education), pink (music), apricot (nursing), drab (business), and white (arts). The colors of the satin lining are those approved and authorized by the college or university from which the degree was earned.

## **Medallion Symbolizes Academic Excellence**

Wearing a medallion or seal of office has been a symbol of academic excellence since the Middle Ages. The seal marked official documents then; heads of institutions wore the seal around the neck to keep it in their possession. The chancellor's medallion features a design and materials that reflect UW-La Crosse. The mokume-gane or "wood grain metal" used is a specialty of the campus jewelry studio.

## **Mace Shows Quest for Truth**

Once a weapon in medieval combat, the mace was adopted by universities as a symbol of the power of the quest for truth. The mace is carried in the commencement ceremony by a distinguished senior faculty member. William R. Fiorini, a UWL art professor, designed and made the medallion and mace, which were used for the first time at the inauguration of Chancellor Judith L. Kuipers in September 1992.

The mace and medallion were given to the University by Mary Hebbard and Ruth Nixon-Davy, professors emeriti. Silver plaques on the medallion box and mace stand acknowledge these gifts.

## **Symbols of Academic Achievement**

Many undergraduate students are wearing items that reflect high academic achievement. Commencement Honors are designated by silver cords, and are worn by students who have at least a 3.50 cumulative grade point average. Those wearing gold cords have earned Commencement Highest Honors with at least a 3.75 average. Members of the Golden Key International Honour Society are wearing a medallion on a blue and gold neck ribbon. The organization is open to the top 15 percent of graduating seniors in various fields of study. Discipline-specific honor organizations are represented by a variety of other cords.

## **International Flags and Sashes**

The international flags displayed on the commencement platform represent the home countries of international students attending the University. Sashes are worn by graduates who studied abroad. Each sash represents the country in which the student studied.

## **Even more reasons to be a proud UW-La Crosse graduate ...**

- **U.S. News & World Report named UWL the No. 1 regional university in the state and the No. 6 regional university in the Midwest** among schools with undergraduate and master's programs for 2021. It's the 20th consecutive year UWL earned a top ranking. UWL also finished among "Top Performers on Social Mobility," which assesses how schools assist students with Pell Grants.
- **UWL is No. 1 in awarding physics bachelor's degrees nationwide**, according to the American Physical Society. UWL awarded an average of 35 degrees annually between 2015-17, making it No. 1 among bachelor's degree-granting institutions on the latest American Physical Society list.
- Biology Senior Lecturer Renee Redman has received a **2021 UW Board of Regents Teaching Excellence Award**. Regents name only two instructors from across the UW System to receive this award.
- **UWL is one of around only 230 campuses in 37 states and the District of Columbia designated as a "Voter Friendly Campus."** Voter Friendly Campuses help students overcome barriers to participate in the political process.
- **A national theatre blog puts the UWL Theater Arts Department center stage in Wisconsin — and one of the best in the country.** OnStage Blog says UWL has the best theatre program statewide in listing top programs in all 50 states, identifying those doing "amazing things and giving their students fantastic preparation for their various industries."
- **The UWL Radiation Therapy Program is No. 7 on the Best Value Schools list.** Rankings highlight tuition and enrollment, while listing notables such as UWL's 13-month internship program and national accreditation.
- **Physics Professor Shelly Lesher has been named a 2020 American Physical Society Fellow.** In the national citation, colleagues recognized her for "advocating on behalf of the essential role of physics in society, and for demonstrating the importance of physics education for all students."
- **Exercise and Sport Science Professor Carl Foster has been named to the U.S. Speed Skating Hall of Fame.** He was inducted for contributing to the sport after three decades as an exercise physiologist for Team USA.
- **UWL has received a \$1.25 million U.S. Department of Education grant** to improve educational services for children with disabilities nationwide. The grant aims to better prepare state and nationally licensed adapted physical educators and school psychologists so they can enhance assistance and results for children with disabilities, ages 3-21.
- Financial and business news website **Business Insider says when it comes to giving students the most bang for their buck, UWL is among the best nationally.** With a 69.7% ROI, UWL placed 20th out of the 24 colleges that cracked the list — the only Wisconsin university ranked.
- The career expert website **Zippia has listed UWL one of the nation's best "total package" schools.** UWL not only earned the top ranking in Wisconsin — it was No. 6 nationally.
- **UWL's Jail Literacy Program has received the 2020 Eisenberg Award** from the State Public Defender Board. It's given annually to a person or organization that has made a substantial impact on criminal justice and the indigent defense community. Established by English Department faculty in 2015, the program offers sessions on poetry, fiction, nonfiction, memoir and more.
- **The NCAA has awarded UWL bids to host the 2024 NCAA III Wrestling Championships and 2026 NCAA III Women's and Men's Outdoor Track & Field Championships.** UWL has hosted numerous national championships throughout the years.
- **December 2020 grad Lilli Minor was named the 2020 National Student Employee of the Year** by the National Student Employment Association. The peer health advocate loves her job because she can help "make the world a more equitable and healthy place."
- **Political Science and Public Administration Department Assistant Professor Shilpa Viswanath has been named a 2020 Section for Women in Public Administration Rising Star,** given to someone with less than five years of academic or professional public service.
- **The largest single gift ever to UWL — \$2.1 million — in fall 2019 is a "game-changer"** for the College of Business Administration and the region. It establishes the Menard Family Midwest Initiative for Economic Engagement and Research, which provides students more opportunities to learn economics through hands-on experiences and community engagement.
- **The Therapeutic Recreation Program received the Program of Merit for Health Professions designation** from The Academy for Gerontology in Higher Education in 2019 — the first health professions program to receive the honor. And, the program received the **2019 American Therapeutic Recreation Association Excellence in Education**, recognizing a clinical agency or college that has distinguished itself through outstanding contributions to the profession.
- **UWL is ranked among the nation's top Military Friendly Schools for 2021-22.** UWL earned a silver rating for its commitment, effort and success in creating sustainable and meaningful benefit for the military community.
- **2017 graduate Timothy Fallon was one of 110 nationwide to receive the Elijah Watt Sells Award** from the American Institute of Certified Public Accountants in 2019. It cites outstanding performance on the CPA exam by obtaining a cumulative average score above 95.50 across all four sections and passing all four on the first attempt.
- **UWL's physician assistant program earned a 100% pass rate on the Physician Assistant National Certifying Exam.** That, small class sizes, and partnerships with the Gundersen Medical Foundation, Mayo Clinic School of Health Science and Marshfield Clinic helps attract students.

## **2021 Outstanding Graduates**

### **The Murphy Awards for Academic Excellence**

recognizes the university's top graduating scholar, as chosen by the Scholarship and Awards Committee. A Murphy Foundation grant created the award in 1980 to recognize outstanding and exceptional scholastic ability.

**Kendra Kreienbrink** graduates with a Bachelor of Science majoring in physics with a biomedical concentration. She has minors in mathematics and chemistry. Kreienbrink was on the Dean's List every semester while maintaining a 3.98 GPA. She earned numerous awards and scholarships; among them: the Dean's Distinguished Fellowship, the Eagle Apprenticeship Scholarship, the Charles and Lillian Gay Scholarship, the Scott Carnes Memorial Scholarship Fund, and the Physics and Astronomy Honors programs. Kreienbrink was named an outstanding presenter at the Gulf Coast Undergraduate Research Symposium in October 2020. Her studies have included microtubule mechanics (biophysics) research with a two-week BioBootcamp at Syracuse University, along with a week collecting data at Lawrence University while interning for UWL Physics Department Chair Taviare Hawkins. Kreienbrink has served as a math and physics tutor, and has been involved in numerous clubs. She took part in the Vida Medical Mission Trip to Guatemala in 2019. Kreienbrink plans to attend graduate school for a doctorate in biomaterials for drug delivery or tissue regeneration. She is from Hopkins, Minnesota

### **The Rosandich Graduate Thesis and Dissertation Award**

recognizes the best graduate thesis, based on originality, impact and writing quality. The award is funded by Thomas P. Rosandich, '54, founding president of the U.S. Sports Academy in Daphne, Alabama.

**Heidi Lang** earned a doctorate in Student Affairs Administration & Leadership in May 2020. Lang's dissertation focused on the role of college unions as campus community builders. Her research concentrated on unions in which students oversee decisions and staff serve as consultants rather than directing students' experiences. Lang also studied the impact student unions have on campus climate, distinguishing differences among students of color and those who are white. Faculty mentors called her dissertation research "outstanding." Lang earned her master's in higher education from North Carolina State University in 1997 and has since worked in the Wisconsin Union at UW-Madison. She is an assistant director of Program and Leadership Development.

**Annie Schauster** graduated in May 2020 with a Master of Science in biology. Schauster's thesis was titled, "Genetic and Genomic Insights into the Successional Patterns and Reproduction Methods of Fire-Associated *Morchella*." Graduate faculty nominated her noting her thesis is conceptually and methodologically excellent, and her results provide interesting insights on a topic of considerable interest in her field of fungal biology. Schauster's mentors credit her for displaying motivation, perseverance, organization, discipline and maturity in her work. Her personal qualities, as well as the experience she gained in her graduate research, were instrumental to her being admitted into the doctorate program in integrative biology at the University of Colorado, Denver. She is currently a first-year doctoral student.

**The Jake and Janet Hoeschler Award for Excellence** recognizes a College of Business Administration graduate for academic accomplishment and leadership on campus and in the community. Janet Hoeschler, a 1940 graduate, established the award in 1992 to signify a business-university partnership.

**Troy De Bruin** graduates with a Bachelor of Science in accountancy and finance. He has made the Dean's List each semester and holds a 4.0 GPA. De Bruin received five business-related scholarships, along with the Jo Laux Family CBA Top Scholar Award. He was on the Eagles Track & Field teams, finishing as a national qualifier in the 4 x 100-meter relay in spring 2019. De Bruin has volunteered with numerous organizations and events, including Veteran's Day Breakfast, Children's Museum, Down Syndrome Awareness Walk, Live Generously and athletic activities. Following graduation, De Bruin plans to take the CPA Exam and in September will begin working full-time at Baker Tilly in Appleton, Wisconsin, as a part of its Construction and Real Estate Audit Team. His goal is to become a fraud investigator or CFO. De Bruin is from Little Chute, Wisconsin.

**The Strzelczyk Award in Science and Health** recognizes an outstanding senior in the College of Science and Health for academic achievement, along with campus and community service. Robert, '54, and Judy Strzelczyk, who funded many physical therapy projects and scholarships, endowed the award in 1996.

**Colin Jackson** graduates with a Bachelor of Science, majoring in mathematics and physics. He was on the Dean's List each semester and earned a 4.0 GPA. Jackson received the Eagle Apprentice Scholarship, the Charles and Lillian Gay Scholarship, the Sentry Insurance Scholarship, and the JD and Marcia Wine Scholarship. He also earned a College of Science and Health grant and department endowment grant for research. Jackson participated in the Mathematics and Statistics Club, Chess Club, and Womxn and Minorities in Math. He also played on the Men's Soccer Club team. Jackson plans to attend graduate school to pursue a doctorate in mathematics, eventually becoming a mathematics professor. He is from Madison, Wisconsin

**The John E. Magerus Award for the Outstanding Graduating Senior from the College of Arts, Social Sciences, and Humanities**

recognizes an outstanding graduate for academic accomplishments, leadership, and campus and community involvement. The award is named for Magerus, who retired in 2004 after 28 years as a professor and administrator in the college.

**Laura Zinnel** graduates with a Bachelor of Science, majoring in psychology and mathematics. Zinnel has completed research on campus in psychology and mathematics, as well as with the U.S. Fish and Wildlife Service. She earned a Dean's Distinguished Fellowship Research Grant and the College of Arts, Social Sciences, and Humanities Recognition of Excellence Award. Zinnel received 15 scholarships and worked in numerous off-campus positions along with serving as a mathematics and statistics tutor on campus. Zinnel was vice president of the Womxn and Minorities in Mathematics Club, treasurer of the Mathematics and Statistics Club, and outreach leader of InterVarsity. She was also a member of Screaming Eagles Marching Band, Intramural Soccer and Psychology Club. Zinnel plans to attend graduate school for either computational neuroscience or mathematics. She is from Rockland, Wisconsin.

**2021 Alumni Awards**

Alumni from the '80s through 2009 have earned top awards bestowed by the UWL Alumni Association for 2021. They're being honored for distinguished service and successful careers.

Distinguished alumni awarded in 2020 and 2021 will be honored virtually in fall 2021 or during an in-person ceremony in 2022, if possible. When recognized, the alumni will speak with students and take part in a panel discussion.

A virtual ceremony for some of the recipients is set for 9 a.m. Saturday, Sept. 18, 2021.

We're part of this great community. Through the good, bad and ugly, UW-La Crosse has stood as a critical Coulee Region partner for 112 years.

Together, we've faced the 1918 Spanish Flu pandemic, the shortages and challenges of World War II, the great Mississippi River flood of 1965, the impact of 9/11 and now COVID-19. Our students, staff and faculty are integral in helping our community endure every challenge.

We're proud to be part of this great community.  
We'll always be right here ready to assist, again and again.

### *The Alma Mater*

Morning sun greets many banners  
On its westward way,  
Fair to us above all others  
Waves maroon and gray.

Colors dear, flag we love  
Float for aye;  
Old La Crosse to thee,  
May we all be ever loyal  
To thy memory.
