Pathways is an educational, interactive workshop meant to accelerate the change process. This 3 session workshop is structured with specific learning objectives, with each session building on material from the preceding session giving you immediate strategies and tools to improve your well-being. While Pathways can be helpful for students experiencing ongoing mental health concerns, such as anxiety and depression, it can also be very helpful for students who want to learn how to manage the stress of college. Set up a pre-group meeting with any of our counselors to learn more.
