According to your University records, you are coded with a teacher certification language (Spanish, French, or German) major, second major, or minor. After you have been admitted to teacher education and before you will be permitted to student teach, you must take and pass the ACTFL Oral Proficiency Interview (OPIc) and Written Proficiency Test (iWPT). ACTFL is the American Council on Teaching of Foreign Languages. Their exam are administered by a subsidiary named Language Testing International (LTI).

Below are screen shots to guide you through the registration process. To register for the ACTFL and Proficiency tests, complete the steps below.

This is a two step process:

- 1) Register with ACTFL's testing group and pay for the test (\$140)
- 2) Pay the proctor fee to the UW La Crosse Test Center

Go to the Language Testing International website.

https://www.languagetesting.com/

Choose the language you need from the drop down list.

Click the orange Get Certified button.

Click the orange *Choose Test* button under "Language Certification for WL & Bilingual Teacher Certification"
