**FINANCIAL AID FOR
SECOND DEGREE CANDIDATES**

The UWL Financial Aid Office is required to monitor the academic progress of a student receiving Federal financial aid, including educational loans. This involves the monitoring of credits attempted and credits earned. Federal law further states that a student can receive Federal Title IV Student Financial Aid, including educational loans, while attempting 150% of the published normal completion length of the student's program. This form will enable the UWL Financial Aid Office to determine 150% of the credits you need to complete a second-degree program.
