

Financial Aid 2020-21 TRANSFER CHECKLIST

- Estimate your college cost at UW-La Crosse by visiting our Net Price Calculator**, available at www.uwlax.edu/finaid/net-price-calculator. Based on your personal situation, this tool will help to estimate your costs and help you understand what types of financing resources may be available.
- Submit the completed 2020-21 FAFSA or re-submit the FAFSA with UWL's School Code if the FAFSA has already been completed.** Complete the FAFSA, available after October 1, 2019, at studentaid.gov and be sure to include UWL's School Code, **003919**. We strongly recommend you use the IRS Data Retrieval option. In order to successfully use this option, you must have filed a 2018 federal income tax return with the IRS, have a valid Social Security Number, and have an unchanged marital status since December 31, 2018. When completing the income tax section on the FAFSA, indicate "Already Filed" and select the IRS Data Retrieval option.
It is recommended you submit the FAFSA **before UWL's priority date of February 1** in order to be considered for all programs, although the FAFSA can be completed throughout the academic year. Make sure your Social Security Number is correct on all forms
- Apply for UWL Foundation Scholarships.** Information about available UWL Foundation scholarships is available at <https://uwlax.academicworks.com>. **Applications must be submitted by February 1.**
- Apply for private scholarships.** Information about private scholarships is available at UWL's Scholarship Resource Center webpage, www.uwlax.edu/scholarships.
- Submit any additional forms requested by the UWL Financial Aid Office.** Upon receipt of your FAFSA, the Financial Aid Office will send a confirmation email. This email will also indicate if there is additional documentation required from you. You will find information about any required items in the "To-Do" section of your UWL WINGS Student Center, <https://wings.uwlax.edu>.
- View your financial aid offer online.** You will receive an email notification when your offer is available to review on your WINGS Student Center. You are able to accept, decline or reduce the aid offered. Click on the name of the award for more detailed information about each award type.
- Review the "Guide To Your Financial Aid Offer"** for the upcoming academic year, available at www.uwlax.edu/finaid/accept/decline-your-award. Note the information regarding "Other Financing Options."
- BORROW ONLY WHAT YOU NEED.** Visit www.uwlax.edu/finaid/loans and choose "Limit What You Borrow" for a list of helpful suggestions.
- Complete a Direct Loan Master Promissory Note (MPN) and Entrance Loan Counseling (ELC)** if you have not already completed these at a previous academic institution. If you are a first-time borrower receiving a Federal Direct Loan, the Direct Loan MPN and ELC must be completed before your loan can be applied to your student bill. Both of these requirements can be completed at studentaid.gov. If you've already completed these steps at another institution, they do not need to be completed again.
- All borrowers (new and continuing) will also be required to complete the new Annual Student Loan Acknowledgement process.** More information to come in April 2020.
- Set up your refund preference.** All financial aid proceeds are applied first to your university bill. If funds remain after the bill is paid in full, a refund is generated. In your WINGS Student Center/Finances, choose the option for "**Student Choice Refund.**" By clicking this option, you will be able to submit the information required for your refund to be deposited directly into your personal bank account. Direct deposit is highly recommended.
- Parents can apply for a Federal Parent PLUS Loan.** After reviewing the "Other Financing Options" many parents of dependent students choose to borrow a Federal Parent PLUS Loan on their student's behalf. This loan is in the parent's name and repayment of the loan is the parent's responsibility. The parent must also complete a Parent PLUS Loan Master Promissory Note (Parent PLUS MPN), at studentaid.gov. The maximum that can be borrowed in a Parent PLUS Loan is indicated on the student's award as "Your Other Loan Eligibility." **Parents should wait until their student has received their award before applying online.**
- Provide Guest Access in WINGS.** The FERPA Act of 1974 protects the privacy of student records, including those created and maintained by the Financial Aid Office. **The Financial Aid Office cannot discuss your information with your parents, spouse or other individuals without your permission.** Guest Access will allow you to specify what types of information can be shared with the individuals you choose and will remain in effect while you are enrolled at UWL unless you make changes. Information is available at www.uwlax.edu/finaid/FERPA-form.
- Review billing information and the billing dates for UW-La Crosse.** Billing charges will be placed on your student WINGS account the first week of classes. Billing dates and information can be obtained by visiting the following website: www.uwlax.edu/cashiers. The institution's billing process can be found at www.uwlax.edu/cashiers/tuition-and-billing/billing-and-registration.
- Complete Exit Loan Counseling at your previous academic institution.** If you accepted federal student loans at a previous academic institution, you also must complete Exit Loan Counseling. This will help you understand repayment for your federal student loans, but will not put you in repayment status as long as you are enrolled at least half-time at UWL.
- Notify your previous institution of your current UWL enrollment if you've received a Federal Perkins loan in the past.** This notification ensures that your Perkins loan will not enter repayment. If an enrollment verification is needed, please contact Records and Registration.
