**WHAT TO DO NEXT**

1. Accept or decline the offered Financial Aid at your WINGS Student Center, [https://wings.uwlax.edu](https://wings.uwlax.edu). To reduce the amount of loan offered, you must first accept the full amount, and then reduce it. The amount accepted in WINGS will be split equally between semesters unless you are only attending one semester. Contact the Financial Aid Office about an exception to even disbursements. Please note you will not be able to accept “Your Other Loan Eligibility*”.

2. If you were offered Federal Work-Study (FWS), complete and submit the Federal Work Study Assignment Questionnaire form. Without submitting the Questionnaire, you will not receive a work assignment. The form is available through the FWS award message in WINGS (click on the name of the award).

3. If you are accepting a Federal Direct Loan and it is your FIRST Direct Loan, complete the federally required Entrance Counseling (ELC) available at [https://studentaid.gov](https://studentaid.gov). Your Federal Student Aid (FSA) ID and password are required. If you have borrowed a previous Federal Stafford or Direct Loan, and have an outstanding loan balance, it is not necessary to complete ELC again.

4. If you are accepting a Federal Direct Loan and it is your FIRST Direct Loan, complete the federally required Federal Direct Loan Master Promissory Note (Direct Loan MPN) at [https://studentaid.gov](https://studentaid.gov). Your Federal Student Aid (FSA) ID and password are required. If it has been 10 years or more since you completed your original MPN, you may be required to complete a new MPN.

5. All Federal Direct Loan borrowers, new and continuing, including Parent PLUS Loan borrowers, must complete the new Annual Student Loan Acknowledgement (ASLA) process. More information will be available in Summer 2021.

6. Report any scholarships you are receiving. You can report scholarship information via your WINGS Student Center or by completing a ‘Scholarship Resource Notification’ form available at [www.uwlax.edu/finaid/common-forms](http://www.uwlax.edu/finaid/common-forms). Your offer may be adjusted if we are subsequently notified of scholarships or resources received.

7. Set up your refund. In the Finances section of your WINGS Student Center, choose ‘Student Choice Refund’ to set up routing information to ensure any refund can be deposited into your personal bank account.

3. Additional requirements that must be met:

a. You must be admitted, enrolled at least half-time (6 credits - Undergraduate) as a regular, degree seeking student or working on an official, qualifying certificate, and maintain Satisfactory Academic Progress (SAP), (as defined in the UWL General Catalog), to receive financial aid. For more information about SAP: [www.uwlax.edu/finaid/actions/understand-satisfactory-academic-progress-sap](http://www.uwlax.edu/finaid/actions/understand-satisfactory-academic-progress-sap).

b. Unless specifically indicated, all financial aid offered is based on full-time attendance. If you drop below full-time, your aid may be adjusted. You must report any changes in enrollment status immediately. If you drop to less than half-time, you will enter your student loan grace period or may be required to begin repaying your loan immediately. If you withdraw, officially or unofficially, funds may need to be returned to the financial aid programs. You will also be billed for any balance remaining due on your student account.

c. Federal law requires the Financial Aid Office monitor repeated coursework. Students are able to repeat a course and receive federal financial aid one time, after previously receiving a passing grade for that course while receiving federal financial aid. The Repeat Credit Policy for Financial Aid can be found at [www.uwlax.edu/finaid/resources/policies/repeat-credits-policy](http://www.uwlax.edu/finaid/resources/policies/repeat-credits-policy).

*How much can be borrowed through a Federal Parent PLUS Loan or a private student loan?

The award type “Your Other Loan Eligibility*” listed on your Financial Aid Offer is informational only. This offered amount indicates the maximum that can be borrowed in either a Federal Parent PLUS Loan or a private student loan. The Financial Aid Office strongly recommends you borrow only what you need, thereby reducing the amount you will have to repay.
