Budget Narrative

Faculty Stipend: \$5,000

I plan to work in my research laboratory for the summer conducting experiments and training and supervising students in their portions of the research projects.

Supplies: \$3,000

| Supplies | Cost | Vendor |
|-------------------------------|-------|-------------------|
| Cell culture media and flasks | \$600 | Life Technologies |
| RNA Purifications | \$700 | Qiagen |
| Quantitative PCR | \$900 | Bio-Rad |
| Chemical inhibitors | \$500 | Sigma-Aldrich |
| Pipettes, tips, tubes, etc. | \$300 | Fisher Scientific |
