WiSys

Sponsor Giving

- Sponsors are concerned about specific problems, injustices, or inequities

- Sponsors see a gap between "what is" and "what ought to be"

- Their mission is to close this gap

WiSys

Mission: To promote the progress of science; to advance the national health, prosperity, and welfare; and to secure the national defense; and for other purposes.

Vision: A Nation that is the global leader in research and innovation.

Funding Databases

Foundation Directory Online   **Foundations in Wisconsin**

Win more grants. Make a bigger difference.

90% of U.S. Foundations don't have websites.

With Foundation Directory Online, you can put Foundation Center's extraordinary database and fundraising expertise to work for your organization, project, or client, while uncovering information on all 140,000 U.S. Foundations. It's the smartest, fastest way to win more funding.

Foundations in Wisconsin

Welcome to Foundations in Wisconsin

Marquette University's Funding Information Center is pleased to announce the publication of the 37th edition of *Foundations in Wisconsin: a Directory* produced Fall 2018.

Available in an online version, the directory provides searchable profiles of active grantmaking foundations in the state of Wisconsin.

Subscribing members click on the "Member Login" button to begin searching. For tips on searching this web-based format click on the "Video Tutorial" button. Information regarding the print version and subscription information about the online version is available via the "Ordering Info" button.
