**WEBINARS
FOR YOUR
GRANT
WRITING
BRAIN**

Analyzing RFPs for Sponsor Hot Buttons

March 4, 2021 | 2-2:45 p.m.

Your responsibility as a grant writer is to present great ideas that appeal to the values and priorities of the sponsor. Persuasive proposal writing begins with reading the sponsor's request for proposal (RFP). In this session, you will learn a three-step RFP analysis process to identify sponsor hot buttons and the evaluation criteria by which grant applications will be judged. You will also consider ways to integrate persuasive themes throughout a proposal narrative.

Collaborative Grantseeking: Accumulating Precious "Wins" & Avoiding Painful "Losses"

March 10, 2021 | 12-12:45 p.m.

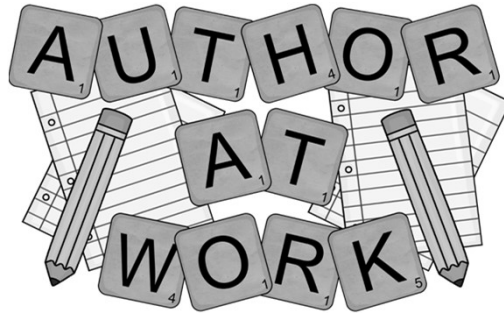

The benefits of collaborating are many, but well-intended grant collaborations don't always turn out as planned. This session will explore key factors that determine whether grant collaborations produce precious "wins" or painful "losses." You will learn about the different types of collaborations and characteristics that contribute to success when managing people and projects. You will also learn tips for integrating the concept of collaboration throughout your proposals.
