This message is being sent to supervisors and department chairs

Colleagues,

On Wednesday, January 20, 2021, UWL Human Resources will be notifying all employees about the COVID-19 testing requirements as the [UW System President had directed in a December 11, 2020](#) communication to campuses.

I wanted you to be aware of this email, (below), as well as invite you, as a supervisor/chair, to a WebEx event on Thursday, January 21, 2021, at 10:00 AM to answer any questions you may have on this requirement. Your [Human Resource Partner](#) will be sending you a WebEx invite shortly.

Please let me know if you have any additional questions or concerns in the meantime.

JA

This message is being sent to all employees

Colleagues,

I hope you had an enjoyable holiday and are ready for the start of the Spring 2021 term. I wanted to make you aware of a new COVID-19 testing requirement for employees that will be on campus during the Spring term.

Effective February 1, 2021, all employees who will be on campus at least one day a week will be required to test for COVID-19 at the BinaxNOW testing center. Testing will be required once, in every two-week period beginning on February 1, 2021. To be tested, employees must register online through this [webpage](#). Please use your @uwlax.edu email address when registering.

Human Resources has made available and will continue to provide updated guidance and answers to frequently asked questions on our [COVID employee testing resource page](#).

Additional Information

As of now, no information has been provided regarding vaccination. When this information becomes available additional information will be provided to the campus.

For additional information on testing, employees should contact their [Human Resources Partner](#).
