This message is being sent to Supervisors of Student Employees

Colleagues,

As the winter holiday season draws closer, we wanted to make sure that you had access to information and guidance on how Student Employment should be handled, specifically over the Thanksgiving holiday.

A resource page along with guidance is available on the HR website: https://www.uwlax.edu/human-resources/covid-holiday-guidance/#tm-advice-for-chairs-supervisors-and-student-employee-supervisors

This information is accessible from the COVID-19 and Employment page on the HR website and accessible through the COVID-19 resources provided on the main, UWL webpage.

Please contact your Human Resource Partner should you have any questions or concerns.
