Colleagues,

I am sad to announce the departure of Vicky Tran from the HR team. She had an incredible career opportunity present itself and I, along with the HR team wish her well in her future endeavors.

As a result, I am writing to let you know that while we search for a replacement to manage and coordinate the PeopleAdmin process, that you work with your HR Partner to begin, advance, or end your searches.

- For Academic Affairs: [Shannon Miller is your point of contact](#)
- For all other divisions: [Carri O'Melia is your point of contact](#)

Operationally, please begin your communications with these points of contact immediately. They will also be working to reach out to the chairs of open searches to see if any support is needed immediately.

Vicky will be here for a few more days, so please do feel free to wish her well in her future.

Thank you for your consideration.

JA
